Avient Corporation
Notes to Condensed Consolidated Financial Statements
(Unaudited)

Note 1 — BASIS OF PRESENTATION

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with Form 10-Q instructions and in the opinion of management contain all adjustments, including those that are normal, recurring and necessary to present fairly the financial position, results of operations and cash flows for the periods presented. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates. These interim financial statements should be read in conjunction with the financial statements and accompanying notes included in the Annual Report on Form 10-K for the year ended December 31, 2022 of Avient Corporation. When used in this Quarterly Report on Form 10-Q, the terms “we,” “us,” “our,” “Avient” and the “Company” mean Avient Corporation and its consolidated subsidiaries.

Operating results for the three months ended March 31, 2023 are not necessarily indicative of the results that may be attained in subsequent periods or for the year ending December 31, 2023. Historical information has been retrospectively adjusted to reflect the classification of discontinued operations. Discontinued operations are further discussed in Note 3, *Discontinued Operations*.

Accounting Standards Adopted

Accounting Standards Update (ASU) 2022-04, *Liabilities - Supplier Finance Programs* (Subtopic 405-50), provides guidance that requires entities that use supplier finance programs in connection with the purchase of goods and services to disclose the key terms of the program and information about their obligations that are outstanding at the end of the reporting period. The Company has evaluated the impact of adopting this standard and has concluded that there is not material activity under supplier finance programs that would require disclosure within the notes to the consolidated financial statements.

Note 2 — BUSINESS COMBINATIONS

On September 1, 2022, the Company completed the acquisition of the DSM Protective Materials business, including the Dyneema® brand, the World's Strongest Fiber™. The ultra-light specialty fiber is used in demanding applications such as ballistic personal protection, marine and sustainable infrastructure, renewable energy, industrial protection and outdoor sports. The acquired business is collectively referred to as APM, and the acquisition is referred to as the APM Acquisition. The APM Acquisition enhances Avient's material offerings of composites and engineered fibers, and results are recognized within the Specialty Engineered Materials segment.

Total consideration paid by the Company to complete the APM Acquisition was \$1.4 billion, net of cash acquired.

The APM Acquisition is being accounted for under the acquisition method of accounting in accordance with Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 805. As of March 31, 2023, the purchase accounting for the APM Acquisition is preliminary and purchase price allocation adjustments will be made through the end of the Company's measurement period, which is not to exceed one year from the acquisition date. During the measurement period, we will continue to obtain information to assist in finalizing the fair values of assets acquired as well as the associated deferred income taxes and residual goodwill, which may differ materially from the preliminary estimates. There were no measurement period adjustments recorded during the three months ended March 31, 2023.

The preliminary purchase price allocation is as follows:

(in millions)	Preliminary Allocation
Cash and cash equivalents	\$ 50.7
Accounts receivable	54.0
Inventories	128.4
Other current assets	2.0
Property	395.1
Intangible assets:	
Indefinite-lived trade names	254.9
Customer relationships	188.6
Patents, technology, and other	275.1
Goodwill	396.5
Other non-current assets	12.3
Accounts payable	32.2
Accrued expenses and other current liabilities	13.2
Deferred tax liabilities	220.0
Noncontrolling interests	2.3
Other non-current liabilities	13.1
Total purchase price consideration	\$ 1,476.8

Definite-lived intangible assets that have been acquired have a preliminary useful life range of 17 to 20 years. Goodwill of \$396.5 million resulting from the acquisition was recorded to the Specialty Engineered Materials segment. The goodwill recognized is primarily attributable to intangible assets that do not qualify for separate recognition and the deferred tax impact of applying purchase accounting. Goodwill is not deductible for tax purposes.

Had the APM Acquisition occurred on January 1, 2021, sales and income from continuing operations before income taxes on a pro forma basis would have been as follows:

	Three Months Ended March 31, 2022
Sales	\$ 987.0
Income from continuing operations before income taxes	88.1

The unaudited pro forma financial information has been calculated after applying our accounting policies and adjusting the historical results with pro forma adjustments that assume the APM Acquisition occurred on January 1, 2021. These unaudited pro forma results do not represent financial results realized, nor are they intended to be a projection of future results.

The pro forma income from continuing operations before income taxes for the three months ended March 31, 2022 gives effect to intangible amortization from the preliminary purchase price allocation and increased interest expense resulting from the APM Acquisition financing transactions.

Note 3 — DISCONTINUED OPERATIONS

On November 1, 2022, Avient sold its Distribution business to an affiliate of H.I.G. Capital (the Purchaser) for \$950.0 million in cash consideration, subject to a customary working capital adjustment. Total proceeds received were \$935.5 million, of which \$7.3 million was received in the period ended March 31, 2023. The results of the Distribution business are classified as discontinued operations for all periods presented.

The following table summarizes the major line items constituting pretax income of discontinued operations associated with the Distribution business for the three months ended March 31, 2023 and 2022.

Note 5 — EMPLOYEE SEPARATION AND RESTRUCTURING COSTS

We are engaged in a restructuring program associated with our integration of the Clariant Color Acquisition. These actions are expected to enable us to better serve customers, improve efficiency and deliver cost savings. We expect that the full restructuring plan will be implemented through 2024 and anticipate that we will incur approximately \$75.0 million of charges in connection with the restructuring plan. As of March 31, 2023, \$55.8 million has been incurred.

A summary of the Clariant Color integration restructuring is shown below:

Note 8 — INCOME TAXES

During the three months ended March 31, 2023, the Company's effective tax rate of 26.6% was above the U.S. federal statutory rate of 21.0% primarily due to foreign withholding tax, tax on global intangible low-taxed income (GILTI), and an increase in foreign valuation allowances. These unfavorable items were partially offset by U.S. research and development credits, favorable foreign tax rate differential, and other favorable permanent tax items.

During the three months ended March 31, 2022, the Company's effective tax rate of 23.5% was above the U.S. federal statutory rate of 21.0% primarily due to foreign withholding tax, GILTI, and state taxes. These unfavorable items were also partially offset U.S. research and development credits, favorable foreign tax rate differential, and other favorable permanent tax items.

As of March 31, 2023, we had no borrowings outstanding under our senior secured revolving credit facility due 2026 (the Revolving Credit Facility), which had remaining availability of \$226.8 million.

The agreements governing our Revolving Credit Facility and our senior secured term loan, and the indentures and credit agreements governing other debt, contain a number of customary financial and restrictive covenants that, among other things, limit our ability to: sell or otherwise transfer assets, including in a spin-off, incur additional debt or liens, consolidate or merge with any entity or transfer or sell all or substantially all of our assets, pay dividends or make certain other restricted payments, make investments, enter into transactions with affiliates, create dividend or other payment restrictions with respect to subsidiaries, make capital investments and alter the business we conduct. As of March 31, 2023, we were in compliance with all covenants.

The estimated fair value of Avient's debt instruments at March 31, 2023 and December 31, 2022 was \$2,192.6 million and \$2,153.1 million, respectively. The fair value of Avient's debt instruments was estimated using prevailing market interest rates on debt with similar creditworthiness, terms and maturities and represent Level 2 measurements within the fair value hierarchy.

Note 10 — SEGMENT INFORMATION

Avient has two reportable segments: (1) Color, Additives and Inks and (2) Specialty Engineered Materials. Previously, Avient had three reportable segments; however, as a result of the divestiture of the Distribution business, we have removed Distribution as a separate reportable segment and its results are presented as a discontinued operation. Historical information has been retrospectively adjusted to reflect these changes. Refer to Note 3, *Discontinued Operations* for additional information. Operating income is the primary measure that is reported to our chief operating decision maker (CODM) for purposes of allocating resources to the segments and assessing their performance. Operating income at the segment level does not include: corporate general and administrative expenses that are not allocated to segments; intersegment sales and profit eliminations; charges related to specific strategic initiatives such as the consolidation of operations; restructuring activities, including employee separation costs resulting from personnel reduction programs, plant closure and phase-in costs; executive separation agreements; share-based compensation costs; asset impairments; environmental remediation costs, along with related gains from insurance recoveries, and other liabilities for facilities no longer owned or closed in prior years; actuarial gains and losses associated with our pension and other post-retirement benefit plans; and certain other items that are not included in the measure of segment profit or loss that is reported to and reviewed by our CODM. These costs are included in Corporate.

Note 11 — COMMITMENTS AND CONTINGENCIES

We have been notified by federal and state environmental agencies and by private parties that we may be a potentially responsible party (PRP) in connection with the environmental investigation and remediation of certain sites. While government agencies frequently assert that PRPs are jointly and severally liable at these sites, in our experience, the interim and final allocations of liability costs are generally made based on the relative contribution of waste. We may also initiate corrective and preventive environmental projects of our own to support safe and lawful activities at our operations. We believe that compliance with current governmental regulations at all levels will not have a material adverse effect on our financial position, results of operations or cash flows.

In September 2007, the United States District Court for the Western District of Kentucky (Court) in the case of *Westlake Vinyls, Inc. v. Goodrich Corporation, et al.*, held that Avient must pay the remediation costs at the former Goodrich Corporation Calvert City facility (now largely owned and operated by Westlake Vinyls, Inc. (Westlake Vinyls)), together with certain defense costs of Goodrich Corporation. The rulings also provided that Avient can seek indemnification for contamination attributable to Westlake Vinyls.

Following the rulings, the parties to the litigation agreed to settle all claims regarding past environmental costs incurred at the site. The settlement agreement provides a mechanism to pursue allocation of future remediation costs at the Calvert City site to Westlake Vinyls. We will adjust our accrual, in the future, consistent with any such future allocation of costs. Additionally, we continue to pursue available insurance coverage related to this matter and recognize gains as we receive reimbursement.

The environmental obligation at the site arose as a result of an agreement between The B.F. Goodrich Company (n/k/a Goodrich Corporation) and our predecessor, The Geon Company, at the time of the initial public offering in 1993. Under the agreement, The Geon Company agreed to indemnify Goodrich Corporation for certain environmental costs at the site. Neither Avient nor The Geon Company ever operated the facility.

Since 2009, Avient, along with respondents Westlake Vinyls, and Goodrich Corporation, has worked with the United States Environmental Protection Agency (USEPA) to address the remedial activities at the site. The USEPA issued its Record of Decision (ROD) in September 2018, selecting a remedy consistent with our accrual assumptions. In April 2019, the respondents signed an Administrative Settlement Agreement and Order on Consent with the USEPA to conduct the remedial actions at the site. In February 2020, three companies signed the agreed Consent Decree and remedial action Work Plan, which received Federal Court approval in January 2021. Our current reserve totals \$102.0 million for this matter.

During the three months ended March 31, 2023, Avient recognized \$1.4 million related to environmental remediation costs, compared to \$2.0 million recognized during the three months ended March 31, 2022.

During the three months ended March 31, 2022, Avient received \$0.6 million of insurance recoveries. These expenses and insurance recoveries are included within *Cost of sales* within our Condensed Consolidated Statements of Income.

Our Condensed Consolidated Balance Sheets include accruals totaling \$111.5 million and \$118.3 million as of March 31, 2023 and December 31, 2022, respectively, based on our estimates of probable future environmental expenditures relating to previously contaminated sites. These undiscounted amounts are included in *Accrued expenses and other current liabilities* and *Other non-current liabilities* on the accompanying Condensed Consolidated Balance Sheets. The accruals represent our best estimate of probable future costs that we can reasonably estimate, based upon currently available information and technology and our view of the most likely remedy. Depending upon the results of future testing, completion and results of remedial investigation and feasibility studies, the ultimate remediation alternatives undertaken, changes in regulations, technology development, new information, newly discovered conditions and other factors, it is reasonably possible that we could incur additional costs in excess of the amount accrued at March 31, 2023. However, such additional costs, if any, cannot be currently estimated.

Avient is subject to a broad range of claims, administrative and legal proceedings such as lawsuits that relate to contractual allegations, tax audits, product claims, personal injuries, and employment related matters. Although it is not possible to predict with certainty the outcome or cost of these matters, the Company believes our current reserves are appropriate and these matters will not have a material adverse effect on the condensed consolidated financial statements.

Note 12 — DERIVATIVES AND HEDGING

We are exposed to market risks, such as changes in foreign currency exchange rates and interest rates. To manage the volatility related to these exposures we may enter into various derivative transactions. We formally assess, designate and document, as a hedge of an underlying exposure, the qualifying derivative instrument that will be accounted for as an accounting hedge at inception. Additionally, we assess both at inception and at least quarterly thereafter, whether the financial instruments used in the hedging transaction are effective at offsetting changes in either the fair values or cash flows of the underlying exposures. In accordance with ASU 2017-12, *Derivatives and Hedging (Topic 815): Targeted Improvements to Accounting for Hedging Activities* (ASU 2017-12), that ongoing assessment will be done qualitatively for highly effective relationships.

As a means of mitigating the impact of currency fluctuations on our euro investments in foreign entities, we have executed cross currency swaps, in which we pay fixed-rate interest in euros and receive fixed-rate interest in U.S. dollars related to our future obligations to exchange euros for U.S. dollars. These cross currency swaps effectively convert a portion of our U.S. dollar denominated fixed-rate debt to euro denominated fixed-rate debt.

We currently hold cross currency swaps with a combined notional amount of €1,467.2 million, maturing in May 2025 and €900.0 million maturing in August 2027. We designated the cross currency swaps as net investment hedges of our net investment in our European operations under ASU 2017-12 and applied the spot method to these hedges. The changes in fair value of the derivative instruments that are designated and qualify as hedges of net investments in foreign operations are recognized within *Accumulated Other Comprehensive Income* (AOCI) to offset the changes in the values of the net investment being hedged. For the three months ended March 31, 2023, losses of \$29.5 million were recognized within translation adjustments in AOCI, net of tax, compared to a gain of \$6.8 million, net of tax, for the three months ended March 31, 2022. Net interest payments received reduce *Interest expense, net* within the Condensed Consolidated Statements of Income and resulted in interest income of \$9.7 million and \$5.6 million for the three months ended March 31, 2023 and 2022, respectively.

All of our derivative assets and liabilities measured at fair value are classified as Level 2 within the fair value hierarchy. We determine the fair value of our derivatives based on valuation methods, which project future cash flows and discount the future amounts to present value using market based observable inputs, including interest rate curves and foreign currency rates.

The fair value of derivative financial instruments recognized in the Condensed Consolidated Balance Sheets is as follows:

(In millions)	Balance Sheet Location	As of March 31, 2023	As of December 31, 2022
Liabilities			
Net investment hedge	Other non-current liabilities	\$ 108.5	\$ 68.6

Highlights and Executive Summary

Trends and Developments

APM Acquisition

On September 1, 2022, the Company completed the acquisition of the DSM Protective Materials business, including the Dyneema® brand, the World's Strongest Fiber™. The ultra-light specialty fiber is used in demanding applications such as ballistic personal protection, marine and sustainable infrastructure, renewable energy, industrial protection and outdoor sports. The acquired business is collectively referred to as Avient Protective Materials and APM. The APM Acquisition will enhance Avient's material offerings of composites and engineered fibers.

Distribution business sale

On November 1, 2022, Avient sold its Distribution business to an affiliate of H.I.G. Capital, (the "Purchaser") for \$950.0 million in cash, subject to a customary working capital adjustment. Total proceeds received were \$935.5 million, of which \$7.3 million was received in the period ended March 31, 2023. The results of the Distribution business are presented as discontinued operations for all periods presented.

Sales

Sales decreased \$46.5 million or 5.2% in the three months ended March 31, 2023 compared to the three months ended March 31, 2022. The acquisition of APM increased sales by 10.8%, which was more than offset by the impacts of lower global demand and customer destocking as well as the unfavorable impact of foreign currency.

Cost of sales

As a percent of sales, cost of sales decreased from 71.5% to 70.7% in the three months ended March 31, 2022 to March 31, 2023, primarily as a result of mix along with raw material deflation, partially offset by higher restructuring charges in the first quarter 2023.

Selling and administrative expense

Selling and administrative expense increased \$38.3 million during the three months ended March 31, 2023 compared to the three months ended March 31, 2022, primarily driven by the acquisition of APM along with higher restructuring charges associated with 2023 actions taken in response to lower global demand.

Interest expense, net

Interest expense, net increased \$11.9 million in the three months ended March 31, 2023 compared to the three months ended March 31, 2022 related to due to new debt financing associated with the APM Acquisition and the impact of higher interest rates on our variable term debt.

Income taxes

During the three months ended March 31, 2023, the Company's effective tax rate was 26.6% versus 23.5% for the three months ended March 31, 2022. The income tax rate increase is primarily due to the higher tax expense associated with valuation allowances, and a higher rate effect of foreign withholding tax for the three months ended March 31, 2023 compared to the three months ended March 31, 2022. This increase was partially offset by favorable permanent tax items for the three months ended March 31, 2023 compared to the three months ended March 31, 2022.

SEGMENT INFORMATION

Avient has two reportable segments: (1) Color, Additives and Inks; and (2) Specialty Engineered Materials. As a result of the agreement to divest the Distribution business segment, we have removed Distribution as a separate reportable segment and its results are presented as a discontinued operation. Historical information has been retrospectively adjusted to reflect these changes. Discontinued operations are further discussed in Note 3, *Discontinued Operations*, to the accompanying condensed consolidated financial statements.

Operating income is the primary measure that is reported to our chief operating decision maker (CODM) for purposes of allocating resources to the segments and assessing their performance. Operating income at the segment level does not include: corporate general and administrative expenses that are not allocated to segments; intersegment sales and profit eliminations; charges related to specific strategic initiatives such as the consolidation of operations; restructuring activities, including employee separation costs resulting from personnel reduction programs, plant closure and phase-in costs; executive separation agreements; share-based compensation costs; asset impairments; environmental remediation costs, along with related gains from insurance recoveries, and other liabilities for facilities no longer owned or closed in prior years; actuarial gains and losses associated with our pension and other post-retirement benefit plans; and certain other items that are not included in the measure of segment profit or loss that is reported to and reviewed by our CODM. These costs are included in Corporate.

Color, Additives and Inks

Sales decreased \$112.5 million or 17.3% in the three months ended March 31, 2023 compared to the three months ended March 31, 2022 primarily driven by global demand and customer destocking and the unfavorable impact of foreign currency.

Specialty Engineered Materials

Sales increased \$66.6 million or 27.4% in the three months ended March 31, 2023 compared to the three months ended March 31, 2022. The acquisition of APM increased sales by 39.7%, which was partially offset by the impacts of lower global demand and customer destocking.

Operating income increased \$4.8 million in the three months ended March 31, 2023 as compared to the three months ended March 31, 2022, as the impact of APM more than offset the aforementioned lower demand and customer destocking.

Corporate

Corporate costs increased \$21.0 million or 68.6% in the three months ended March 31, 2023 as compared to the three months ended March 31, 2022 primarily due to higher restructuring charges in the first quarter of 2023.

Liquidity and Capital Resources

Our objective is to finance our business through operating cash flow and an appropriate mix of debt and equity. By laddering the maturity structure, we avoid concentrations of debt maturities, reducing liquidity risk. We may from time to time seek to retire or purchase our outstanding debt with cash and/or exchanges for equity securities, in open market purchases, privately negotiated transactions or otherwise. We may also seek to repurchase our outstanding common shares. Such repurchases, if any, will depend on prevailing market conditions, our liquidity requirements, contractual restrictions and other factors. The amounts involved have been and may continue to be material.

The following table summarizes our liquidity as of March 31, 2023 and December 31, 2022:

(In millions)	As of March 31, 2023	As of December 31, 2022
Cash and cash equivalents	\$ 582.7	\$ 641.1
Revolving credit availability	226.8	246.2
Liquidity	<u>\$ 809.5</u>	<u>\$ 887.3</u>

As of March 31, 2023, approximately 58% of the Company's cash and cash equivalents resided outside the United States.

Expected sources of cash needed to satisfy cash requirements for 2023 include our cash on hand, cash from operations and available liquidity under our revolving credit facility, if needed. Expected uses of cash for 2023 include interest payments, cash taxes, dividend payments, share repurchases, environmental remediation costs and capital expenditures.

Cash Flows

The following describes the significant components of cash flows from operating, investing and financing activities for the three months ended March 31, 2023 and 2022.

Operating Activities — In the three months ended March 31, 2023, net cash used by operating activities was \$22.2 million as compared to net cash provided by operating activities of \$18.9 million for the three months ended March 31, 2022, driven primarily by lower earnings.

Investing Activities — Net cash used by investing activities during the three months ended March 31, 2023 of \$13.0 million reflects the impact of capital expenditures, offset by proceeds received from the divestiture of the Distribution business.

Net cash used by investing activities during the three months ended March 31, 2022 of \$13.3 million reflects capital expenditures.

Financing Activities — Net cash provided by financing activities for the three months ended March 31, 2023 of \$25.6 million primarily reflects \$22.5 million of dividends paid.

Net cash used by financing activities for the three months ended March 31, 2022 of \$43.8 million primarily reflects \$21.7 million of dividends paid, repayment of debt of \$2.4 million, and repurchase of our outstanding common shares of \$15.8 million.

Debt

As of March 31, 2023, our principal amount of debt totaled \$2,215.5 million. Aggregate maturities of the principal amount of debt for the current year, next four years and thereafter, are as follows:

(In millions)	
2023	\$ 1.4
2024	2.2
2025	652.2
2026	427.4
2027	0.4
Thereafter	1,131.9
Aggregate maturities	<u>\$ 2,215.5</u>

As of March 31, 2023, we were in compliance with all financial and restrictive covenants pertaining to our debt. For additional information regarding our debt, please see Note 9, *Financing Arrangements* to the accompanying condensed consolidated financial statements.

Derivatives and Hedging

We are exposed to market risks, such as changes in foreign currency exchange rates and interest rates. To manage the volatility related to these exposures we may enter into various derivative transactions. For additional information regarding our derivative instruments, please see Note 12, *Derivatives and Hedging* to the accompanying condensed consolidated financial statements.

Material Cash Requirements

We have future obligations under various contracts relating to debt and interest payments, derivative instruments, operating leases, pension and post-retirement benefit plans and purchase obligations. During the three months ended March 31, 2023, there were no material changes to these obligations as reported in our Annual Report on Form 10-K for the year ended December 31, 2022.

CAUTIONARY NOTE ON FORWARD-LOOKING STATEMENTS

In this Quarterly Report on Form 10-Q, statements that are not reported financial results or other historical information are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements give current expectations or forecasts of future events and are not guarantees of future performance. They are based on management’s expectations that involve a number of business risks and uncertainties, any of which could cause actual results to differ materially from those expressed in or implied by the forward-looking statements. You can identify these statements by the fact that they do not relate strictly to historic or current facts. They use words such as “will,” “anticipate,” “estimate,” “expect,” “project,” “intend,” “plan,” “believe” and other words and terms of similar meaning in connection with any discussion of future operating or financial condition, performance and/or sales. - our ability to achieve strategic objectives and successfully integrate acquisitions, including Avient Protective Materials (APM);
- other factors affecting our business beyond our control, including without limitation, changes in the general economy, changes in interest rates, changes in the rate of inflation and any recessionary conditions; and
- other factors described in our Annual Report on Form 10-K for the year ended December 31, 2022 under Item 1A, “Risk Factors.”

We cannot guarantee that any forward-looking statement will be realized, although we believe we have been prudent in our plans and assumptions. Achievement of future results is subject to risks, uncertainties and assumptions. Should known or unknown risks or uncertainties materialize, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Investors should bear this in mind as they consider forward-looking statements. We undertake no obligation to publicly update forward-looking statements, whether as a result of new information, future events or otherwise, except as otherwise required by law. You are advised, however, to consult any further disclosures we make on related subjects in our reports on Forms 10-Q, 8-K and 10-K filed with the Securities and Exchange Commission. You should understand that it is not possible to predict or identify all risk factors. Consequently, you should not consider any such list to be a complete set of all potential risks or uncertainties.

5. Reaffirmation and Confirmation. After giving effect to this Amendment, the Liens and rights securing payment of the Obligations are hereby ratified and confirmed by each Loan Party in all respects.

6. Representations and Warranties. 7. Conditions to Effectiveness. This Amendment shall become effective upon the satisfaction of the following conditions precedent:

All obligations provided herein shall survive any termination of this Amendment and the Credit Agreement.

(b) Choice of Law and Venue; Jury Trial Waiver. Without limiting the applicability of any other provision of the Credit Agreement or any other Loan Document, the terms and provisions set forth in Section 12 of the Credit Agreement are expressly incorporated herein by reference.

(c) Counterparts. This Amendment may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Amendment. Any party delivering an executed counterpart of this Amendment by faxed, scanned or photocopied manual signature shall, if reasonably requested or required by Agent in its Permitted Discretion, also deliver an original manually executed counterpart, but the failure to deliver an original manually

executed counterpart shall not affect the validity, enforceability and binding effect of this Amendment.

9. Waiver under Term Loan Intercreditor Agreement. On or about the date hereof, each Lender party hereto hereby authorizes Agent to enter into and deliver to Term Loan Agent a waiver letter under the Term Loan Intercreditor Agreement pursuant to which Agent will waive the requirement that the Grantors (as defined in the Term Loan Intercreditor Agreement) grant a Lien to Agent, for the benefit of the Revolving Loan Secured Parties (as defined in the Term Loan Intercreditor Agreement), on (x) that certain Real Property owned in fee simple by Avient Protective Materials LLC and located at 5750 Martin Luther King Jr. Highway in Greenville, North Carolina and (y) any other Designated Real Property, in the case of this clause (y), for so long as such Real Property constitutes Designated Real Property.

The parties agree as follows:

1. DEFINITIONS AND CONSTRUCTION.

1.1. Definitions. Capitalized terms used in this Agreement shall have the meanings specified therefor on Schedule 1.1.

1.2. Accounting Terms. Any accounting term used in this Agreement shall have, unless otherwise specifically provided herein, the meaning customarily given in accordance with GAAP, and all financial computations hereunder shall be computed unless otherwise specifically provided herein, in accordance with GAAP as consistently applied and using the same method for inventory valuation as used in the preparation of the financial statements of Parent most recently received by Agent prior to the First Amendment Closing Date; provided, that, in the event of any change in GAAP after the First Amendment Closing Date that affects the covenants in Section 7 hereof, Administrative Borrower may by notice to Agent, or Agent may, and at the request of Required Lenders shall, by notice to Administrative Borrower request that Agent and Administrative Borrower negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders); provided, that, until so amended, (a) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (b) Administrative Borrower shall provide to Agent and Lenders financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP. No consent or amendment fee shall be required to be paid to any Lender in connection with an amendment contemplated by this Section 1.2. Notwithstanding anything to the contrary contained in GAAP or any interpretations or other pronouncements by the Financial Accounting Standards Board or otherwise, the term "unqualified opinion" as used herein to refer to opinions or reports provided by accountants shall mean an opinion or report that is unqualified and also does not include any explanation, supplemental comment or other comment

concerning the ability of the applicable person to continue as a going concern or the scope of the audit. When used herein, the term "financial statements" shall include the notes and schedules thereto. Whenever the term "Parent" or "Borrowers" is used in respect of a financial covenant or a related definition, it shall be understood to mean Parent or Borrowers and their Restricted Subsidiaries on a consolidated basis, unless the context clearly requires otherwise. Notwithstanding the foregoing, any lease of the Parent or its Subsidiaries that would be characterized as an operating lease under GAAP in effect on December 31, 2018 shall not constitute a Capital Lease under this Agreement or any other Loan Document as a result of changes in GAAP on January 1, 2019 unless otherwise agreed to in writing by the Borrowers and Required Lenders.

1.3. Code. Any terms used in this Agreement that are defined in the Code shall be construed and defined as set forth in the Code unless otherwise defined herein and any terms used in this Agreement that are defined in the PPSA and relating to Collateral consisting of assets of the Canadian Loan Parties shall be construed and defined as set forth in the PPSA unless otherwise defined herein; provided, that, to the extent that the Code is used to define any term herein and such term is defined differently in different Articles of the Code, the definition of such term contained in Article 9 of the Code shall govern.

1.4. Construction. Unless the context of this Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Agreement or any other Loan Document refer to this Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). The words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties. Any reference herein to any Person shall be construed to include such Person's successors and assigns. Any reference herein to "province" or like terms shall be construed to include "territory" and like terms. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record. An Event of Default shall exist or continue or be continuing until such Event of Default is waived in accordance with Section 14.1 or is cured if such Event of Default is capable of being cured. Any reference herein or in any other Loan Document to the satisfaction, repayment, or payment in full of the Obligations shall mean (a) the repayment in full in cash or immediately available funds of the US Dollar Equivalent (subject to Section 1.7(a)) of all of the Obligations (including the payment of any Lender Group Expenses that have accrued regardless of whether demand has been made therefor), excluding in any case the Obligations described in the following clause (b) of this Section 1.4, and (b) in the case of (i) contingent reimbursement obligations with respect to Letters of Credit, the receipt by Agent of the Letter of Credit Collateralization, (ii) Bank Products other than Hedge Obligations, the receipt by Agent of the Bank Product Collateralization, (iii) checks or other payments provisionally credited to the Obligations and for which Agent or any Lender has not received final payment, the receipt by Agent of cash collateral to secure such amounts (unless Agent shall have received a satisfactory indemnity with respect thereto from another financial institution), (iv) Hedge Obligations, the receipt by Agent of cash collateral to secure the US Dollar Equivalent (subject to Section 1.7(a)) of such amounts (or, at the option of Agent or the Hedge Provider with respect to such Hedge Agreements, the termination of the applicable Hedge Agreement and the payment in full in cash of the US Dollar Equivalent (subject to Section 1.7(a)) of the Obligations due and payable in connection with such termination), and (v) the US Dollar Equivalent (subject to Section 1.7(a)) of other contingent Obligations for which a claim or demand for payment has been made at such time

Unless the context of this Agreement or any other Loan Document clearly requires otherwise or Agent otherwise determines, amounts expressed in US Dollars at any time when used with respect to Foreign Subsidiaries or similar matters shall be deemed to mean the US Dollar Equivalent of such amounts at such time. Notwithstanding anything in this Agreement to the contrary, to the extent a determination is to be made hereunder with respect to a Borrowing Base or any component thereof on any date, such determination shall be based on the applicable Borrowing Base and such components as set forth in the most recently delivered US Borrowing Base Certificate, Canadian Borrowing Base Certificate or Luxembourg Borrowing Base Certificate, as applicable, hereunder; provided that (x) the amount of US Qualified Cash included in the US Borrowing Base pursuant to clause (d) thereof may be adjusted subsequent to such date of delivery as set forth in the definition of US Qualified Cash, and (y) the amount of Canadian Qualified Cash included in the Canadian Borrowing Base pursuant to clause (c) thereof may be adjusted subsequent to such date of delivery as set forth in the definition of Canadian Qualified Cash.

1.5. Luxembourg Matters. For purposes of the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to and including"; provided, that, with respect to a computation of fees or interest payable to Agent or any Lender, such period shall include the first day, but not the last day of it so long as payment thereof is received prior to the time specified in Section 2.5, but in any event shall consist of at least one full day.

1.7. Exchange Rates; Currency ~~Matters~~ Equivalents.

~~(a)~~ Principal, interest, reimbursement obligations, fees, and all other amounts payable under this Agreement and the other Loan Documents to Agent and the Lenders shall be payable in US Dollars (or, solely in the case of Luxembourg Revolving Loans and interest related thereto, Euros) or, at the option of Borrowers, in the applicable currency in which such obligation was incurred. Unless stated otherwise, all calculations, comparisons, measurements or determinations under this Agreement shall be made in US Dollars. For the purpose of such calculations, comparisons, measurements or determinations, amounts or proceeds denominated in other currencies shall be converted to the US Dollar Equivalent on the date of calculation at the Spot Rate calculated by Agent or Issuing Lender (as applicable) in good faith on such date, comparison, measurement or determination. Unless expressly provided otherwise, where a reference is made to a US Dollar amount, the amount is to be considered as the amount in US Dollars and, therefore, each other currency shall be converted into the US Dollar Equivalent thereof.

(b) Agent or the applicable Issuing Lender, as applicable, shall determine the US Dollar Equivalent amounts of Loans or Letters of Credit denominated in Alternative Currencies. Such US Dollar Equivalent shall become effective as of such Revaluation Date and shall be the US Dollar Equivalent of such amounts until the next Revaluation Date to occur.

(c) Wherever in this Agreement in connection with a borrowing, conversion, continuation or prepayment of a Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in US Dollars, but such borrowing, Loan or Letter of Credit is denominated in an Alternative Currency, such amount shall be the relevant Alternative Currency Equivalent of such US Dollar amount (rounded to the nearest unit of such Alternative Currency, with 0.5 of a unit being rounded upward), as determined by Agent or the applicable Issuing Lender, as the case may be.

(d) For purposes of determining compliance with Section 6 with respect to the amount of any Indebtedness, Investment, Lien, disposition of assets, or Restricted Payment or determining compliance with Section 8 with respect to the amount of judgments, the size of agreements and the value of Collateral, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the times such Indebtedness, Investment, or Lien is incurred or disposition of assets or Restricted Payment is made.

1.8. Schedules and Exhibits. All of the schedules and exhibits attached to this Agreement shall be deemed incorporated herein by reference.

1.9. Effect of Amendment and Restatement; No Novation. Upon the effectiveness of this Agreement, the Existing Credit Agreement shall be amended and restated in its entirety by this Agreement. The Existing Obligations shall continue in full force and effect, and the effectiveness of this Agreement shall not constitute a novation or repayment of the Existing Obligations. Such Existing Obligations, together with any and all additional Obligations incurred by any Borrower under this Agreement or under any of the other Loan Documents, shall continue to be secured by, among other things, the applicable portions of the Collateral, whether now existing or hereafter acquired and wheresoever located, all as more specifically set forth in the Loan Documents. Each Borrower party to the Existing Credit Agreement hereby reaffirms its obligations, liabilities, grants of security interests, pledges and the validity of all covenants by it contained in any and all Loan Documents, as amended, supplemented or otherwise modified by this Agreement and by the other Loan Documents delivered prior to the Effective Date. Any and all references in any Loan Documents to the Existing Credit Agreement shall be deemed to be amended to refer to this Agreement.

1.10. Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a)

if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

1.11. Limited Condition Transaction. Notwithstanding anything to the contrary in this Agreement, in connection with any Limited Condition Transaction and any actions being taken in connection with a Limited Condition Transaction (including any incurrence of Indebtedness) which require:

(a) the calculation of any financial ratio or test or basket (other than any Excess Availability, US Excess Availability, Canadian Excess Availability, Luxembourg Excess Availability or Specified Excess Availability, as applicable, requirement), including the Fixed Charge Coverage Ratio; or

(b) determining the accuracy of any representation and warranty or the determination that no Default or Event of Default (or any specified type of Default or Event of Default) has occurred, is continuing or would immediately result therefrom;

in each case, at the option of the Administrative Borrower (Administrative Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be made at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended measurement period at the time of) either (x) the execution of the definitive agreement with respect to such Limited Condition Transaction or (y) the consummation of such Limited Condition Transaction (the date of such determination under clause (x) or (y), as applicable, the "LCT Test Date"), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), Parent or any of its Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket (after giving effect to such Limited Condition Transaction on a pro forma basis), such ratio, test or basket shall be deemed to have been complied with on the date such action or transaction is actually taken. For the avoidance of doubt, if the Administrative Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA of the Parent and its Restricted Subsidiaries or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Administrative Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, test or basket availability with respect to any other related transaction on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, public announcement or irrevocable notice for such Limited Condition Transaction is terminated, revoked or expires without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated on the LCT Test Date, except that (other than solely with respect to the incurrence test under which such Limited Condition Transaction is being made) Consolidated EBITDA of any target of such Limited Condition Transaction shall only be used in the determination of the relevant ratio, test and/or basket if and when such Limited Condition Transaction has been consummated.

1.12. Rates. The interest rate on Loans denominated in US Dollars or ~~another currency~~ an Alternative Currency may be determined by reference to a benchmark rate that is, or may in the future become, the subject of regulatory reform or cessation. Regulators have signaled the need to use alternative

reference rates for some of these benchmark rates and, as a result, such benchmark rates may cease to comply with applicable laws and regulations, may be permanently discontinued or the basis on which they are calculated may change. Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to any rates in the definition of any Benchmark, ~~any~~including the Term SOFR Reference Rate, Adjusted Term SOFR, Term SOFR, the BA Rate, EURIBOR or any other Benchmark, or any component definition thereof or rates referenced in the definition thereof or with respect to any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any then-current Benchmark or any Benchmark Replacement) as it may or may not be adjusted pursuant to Section 2.10(d)(iii) or Section 2.15(d)(iii), will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Term SOFR Reference Rate, Adjusted Term SOFR, Term SOFR, the BA Rate, EURIBOR, or such Benchmark or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any ~~Benchmark Replacement~~ Conforming Changes. Agent and its Affiliates or other related entities may engage in transactions that affect the calculation of any Benchmark, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto and such transactions may be adverse to Borrowers. Agent may select information sources or services in its reasonable discretion to ascertain any Benchmark, any component definition thereof or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to any Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service. Each determination of any Benchmark (or any Benchmark Replacement) shall be made by Agent and shall be conclusive in the absence of manifest error.

2. LOANS AND TERMS OF PAYMENT.

2.1. Revolving Loans.

(a) On the First Amendment Closing Date, the outstanding principal balance of the US Revolving Loans is \$0.00. (A) the amount equal to (1) the US Maximum Credit less (2) the sum of the US Letter of Credit Usage at such time, plus the principal amount of US Swing Loans outstanding at such time, and

(B) the amount equal to (1) the US Borrowing Base at such time (based upon the most recent US Borrowing Base Certificate delivered by US Borrowers to Agent, as the amount of US Qualified Cash included therein may be adjusted subsequent to the date of such US Borrowing Base Certificate pursuant to the definition of US Qualified Cash) less (2) the sum of the US Letter of Credit Usage at such time, plus the principal amount of US Swing Loans outstanding at such time.

Each US Revolving Loan shall be a US Dollar Denominated Loan, and shall be either a Base Rate Loan or a ~~LIBOR Rate~~SOFR Loan.

Subject to the terms and conditions of this Agreement, and during the term of this Agreement, each Canadian Lender with a Canadian Commitment agrees (severally, not jointly or jointly and severally) to make revolving loans ("Canadian Revolving Loans") to Canadian Borrowers which in the aggregate any time outstanding shall not exceed the lesser of:

(i) such Canadian Lender's Canadian Commitment, or

(ii) such Canadian Lender's Pro Rata Share of an amount equal to the lesser of:

(A) the amount equal to (1) the Canadian Maximum Credit less (2) the Canadian Letter of Credit Usage at such time, plus the principal amount of Canadian Swing Loans outstanding at such time, and

(B) the amount equal to (1) the Canadian Borrowing Base at such time (based upon the most recent Canadian Borrowing Base Certificate delivered by Canadian Borrowers to Agent, as the amount of Canadian Qualified Cash included therein may be adjusted subsequent to the date of such Canadian Borrowing Base Certificate pursuant to the definition of Canadian Qualified Cash) less (2) the Canadian Letter of Credit Usage at such time, plus the principal amount of Canadian Swing Loans outstanding at such time.

Each Canadian Revolving Loan shall be either a US Dollar Denominated Loan (which shall be either a Base Rate Loan or a ~~LIBOR Rate~~SOFR Loan) or a Canadian Dollar Denominated Loan (which shall be either a Base Rate Loan or a BA Rate Loan).

(c) On the First Amendment Closing Date, the outstanding principal balance of the Luxembourg Revolving Loans is \$0.00. Subject to the terms and conditions of this Agreement, and during the term of this Agreement, each Luxembourg Lender with a Luxembourg Commitment agrees (severally, not jointly or jointly and severally) to make revolving loans ("Luxembourg Revolving Loans") to Luxembourg Borrower which in the aggregate any time outstanding shall not exceed the lesser of:

(i) such Luxembourg Lender's Luxembourg Commitment, or

(ii) such Luxembourg Lender's Pro Rata Share of an amount equal to the lesser of:

(A) the amount equal to (1) the Luxembourg Maximum Credit less (2) the Luxembourg Letter of Credit Usage at such time, plus the principal amount of Luxembourg Swing Loans outstanding at such time, and

(B) the amount equal to (1) the Luxembourg Borrowing Base at such time less (2) the Luxembourg Letter of Credit Usage at such time, plus the principal amount of Luxembourg Swing Loans outstanding at such time.

Each Luxembourg Revolving Loan shall be a Euro Denominated Loan (which shall be a EURIBOR Rate Loan).

(d) Anything to the contrary in this Section 2.1 or otherwise notwithstanding, neither (i) the aggregate principal amount of all Revolving Loans (including Swing Loans, Protective Advances and Overadvances) plus the Letter of Credit Usage outstanding at any time, nor (ii) the Maximum Credit shall exceed the Term Loan Debt Limit. Agent may at any time and from time to time require that an Authorized Person execute and deliver to Agent a certificate, in form and substance reasonably satisfactory to Agent, representing that each of (x) the aggregate principal amount of all Revolving Loans (including Swing Loans, Protective Advances and Overadvances) plus the Letter of Credit Usage outstanding at such time (and after giving effect to any of the foregoing that have been requested) and (y) the Maximum Credit, in each case, does not and will not exceed the Term Loan Debt Limit, together with calculations in reasonable detail evidencing such compliance.

(e) Amounts borrowed pursuant to this Section 2.1 may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement. The outstanding principal amount of the Revolving Loans, together with interest accrued thereon, shall be due and payable on the Maturity Date or, if earlier, on the date on which they are declared due and payable pursuant to the terms of this Agreement.

(f) Anything to the contrary in this Section 2.1 notwithstanding, Agent shall have the right (but not the obligation), in its Permitted Discretion, to establish, increase, reduce, eliminate, or otherwise adjust reserves (without duplication) from time to time against the US Borrowing Base, the Canadian Borrowing Base or the Luxembourg Borrowing Base in such amounts, and with respect to such matters, as Agent in its Permitted Discretion shall deem necessary, including (i) reserves in an amount equal to the Bank Product Reserve Amount, (ii) [reserved], (iii) [reserved], (iv) reserves in the amount of any Restricted Payment under Section 6.8(i) that has been declared but has not yet been paid, but only if Excess Availability is less than \$100,000,000 at any time during the period commencing with the declaration of such Restricted Payment and ending with the payment thereof, and (v) reserves with respect to (A) sums that Parent or its Subsidiaries are required to pay under this Agreement or any other Loan Document (such as taxes, assessments, insurance premiums, or, in the case of leased assets, rents or other amounts payable under such leases) and has failed to pay when due, and (B) amounts owing by Parent or its Subsidiaries to any Person to the extent secured by a Lien on, or trust or deemed trust over, any of the Revolving Loan Priority Collateral (other than a Permitted Lien under clause (m) of the definition of such term), which Lien, trust or deemed trust, in the Permitted Discretion of Agent likely would be pari passu with, or have a priority superior to, Agent's Liens (such as Priority Payables or Liens or trusts in favor of landlords, warehousemen, carriers, mechanics, materialmen, laborers, or suppliers, or Liens or trusts for ad valorem, excise, sales, or other taxes or other amounts that may be pari passu or given priority under applicable Law) in and to such item of the Revolving Loan Priority Collateral. To the extent that an event, condition or matter as to any Eligible Accounts or Eligible Inventory is addressed pursuant to the treatment thereof within the applicable definition of such terms, Agent shall not also establish a reserve to address the same event, condition or matter. The amount of any reserve established by Agent shall have a reasonable relationship to the event, condition or other matter which is the basis for such reserve as determined by Agent in its Permitted Discretion. Agent will provide notice to Administrative Borrower three (3) Business Days' prior to the establishment of any new categories of reserves after the date hereof or any change in the methodology for the calculation of an existing reserve after the date hereof, except that such notice shall not be required (i) at any time there is a Cash Dominion Event or, if in the good faith determination of Agent, it is necessary to act sooner to preserve or protect the Collateral or its value or the rights of Agent therein or to otherwise address any event, condition or circumstance that, in the good faith judgment of the Agent, is reasonably likely to cause a diminution in the value of the Collateral or to threaten the ability to realize upon any portion of the Collateral or (ii) if after giving effect to any such new category of reserves or change in methodology there would be an Overadvance. Upon receipt of such notice, Administrative Borrower may take such action as may be required so that the event, condition, or matter that is the basis for the reserve no longer exists. At any time that the event, condition or circumstance that is the basis for the reserve

ceases to exist or is otherwise addressed to the satisfaction of Agent, then the applicable reserve will be terminated.

(g) Without limiting the generality of the foregoing, reserves may be established to reflect any of the following: (i) Inventory shrinkage, (ii) markdowns and cost variances (pursuant to discrepancies between the purchase order price of Inventory and the actual cost thereof), (iii) returns, discounts, claims, credits and allowances of any nature that are not paid pursuant to the reduction of Accounts, (iv) any rental payments, service charges or other amounts due or to become due to owners or lessors of Real Property to the extent Inventory or Records are located in or on such property or in the possession or control of such parties or such Records are needed to monitor or otherwise deal with the Collateral (other than for locations where Agent has received a Collateral Access Agreement executed and delivered by the owner and lessor of such Real Property that Agent has acknowledged in writing is in form and substance satisfactory to Agent), provided, that, the reserves established pursuant to this clause (iv) as to leased locations shall not exceed at any time the aggregate of amounts payable for the next three (3) months to the lessors of such locations, except that such limitation on the amount of the reserves shall not apply at any time that an Event of Default shall exist or have occurred and be continuing, or at any time there is any event of default under the lease by Parent or any Subsidiary of Parent with respect to such location or a notice thereof has been sent or received by or on behalf of any Loan Party, (v) any rental payments, service charges or other amounts due or to become due to lessors of personal property, (vi) an increase in the number of days of the turnover of Inventory or a change in the mix of the Inventory that results in an overall decrease in the value thereof or a deterioration in its nature or quality (but only to the extent not addressed by the lending formulas in a manner satisfactory to Agent), (vii) variances between the perpetual Inventory records of Borrowers and the results of the test counts of Inventory conducted by Agent with respect thereto in excess of the percentage reasonably acceptable to Agent in its Permitted Discretion, (viii) dilution with respect to Accounts (based on the ratio of the aggregate amount of non-cash reductions in Accounts for any period to the aggregate dollar amount of the sales of such Borrower for such period) as calculated by Agent for any period (with such calculations to be based on the results of the most recently received Acceptable Field Exam by Agent or, in between such Acceptable Field Exams, in Agent's sole discretion, on the most recent Account roll-forward report delivered to Agent pursuant to Section 5.2) is greater than three percent (3%); provided, that reductions with respect to the advance rates as a result of the foregoing shall not apply unless and until dilution is greater than three percent (3%) by a full percentage point (and, thereafter, by additional full percentage points), at which point the advance rate may be reduced in equal full percentage point increments, and (ix) reserves in respect of any Specified Debt that matures within 91 days of the Maturity Date. Except as otherwise specifically provided in this clause (f), any change to the amount of any reserves described above shall be based on changes in the event, condition or circumstance that is basis for such reserves after the First Amendment Closing Date.

2.2. Borrowing Procedures and Settlements.

All Loans and Letters of Credit under this Agreement shall be conclusively presumed to have been made to, and at the request of and for the benefit of, any Borrower or Guarantor when deposited to the credit of any Borrower or Guarantor or otherwise disbursed or established in accordance with the instructions of any Borrower or Guarantor or in accordance with the terms and conditions of this Agreement.

(b) Making of Swing Loans.

(i) **Making of US Swing Loans.** Subject to the terms and conditions contained herein, Swing Lender agrees that it will make a US Revolving Loan (any such US Revolving Loan made solely by Swing Lender pursuant to this Section 2.2 (b)(i) being referred to as a "US Swing Loan") to US Borrowers from time to time in amounts requested by any US Borrower (or Administrative Borrower on behalf of US Borrowers) up to the aggregate amount outstanding equal to the US Swing Loan Limit, provided, that, after giving effect to any such US Swing Loan, the aggregate principal amount of the US Revolving Loans, US Swing Loans and US

Letter of Credit Usage outstanding at any time shall not exceed the lesser of the US Borrowing Base at such time or US Maximum Credit at such time. Each US Swing Loan shall be deemed to be a US Revolving Loan hereunder and shall be subject to all the terms and conditions (including Section 3) applicable to other US Revolving Loans, except that all payments on any Swing Loan shall be payable to Swing Lender solely for its own account. Subject to the provisions of Section 2.3(d)(ii), Swing Lender shall not make and shall not be obligated to make any US Swing Loan if Swing Lender has actual knowledge that (A) one or more of the applicable conditions precedent set forth in Section 3.1 or 3.2 will not be satisfied on the requested Funding Date for the applicable Borrowing, or (B) the requested Borrowing would exceed the Availability on such Funding Date. Swing Lender shall not otherwise be required to determine whether the applicable conditions precedent set forth in Section 3.1 or 3.2 have been satisfied on the Funding Date applicable thereto prior to making any US Swing Loan. The US Swing Loans shall be secured by Agent's Liens, constitute US Revolving Loans and US Obligations hereunder, and bear interest at the rate applicable from time to time to Revolving Loans that are Base Rate Loans. Upon the making of a US Swing Loan, without further action by any party hereto, each US Lender shall be deemed to have irrevocably and unconditionally purchased and received from Swing Lender, without recourse or warranty, an undivided interest and participation to the extent of such Lender's Pro Rata Share in such US Swing Loan. To the extent that there is no Settlement in accordance with Section 2.3(c) hereof, the applicable Swing Lender may at any time, require the applicable US Lenders to fund their participations. From and after the date, if any, on which any US Lender has funded its participation in any US Swing Loan, Agent shall promptly distribute to such US Lender, not less than weekly, such Lender's Pro Rata Share of all payments of principal and interest received by Agent in respect of such US Swing Loan.

(ii) **Making of Canadian Swing Loans.** Subject to the terms and conditions contained herein, Swing Lender agrees that it will make a Canadian Revolving Loan (any such Canadian Revolving Loan made solely by Swing Lender pursuant to this Section 2.2(b)(ii) being referred to as a "Canadian Swing Loan") to Canadian Borrowers from time to time in amounts requested by any Canadian Borrower (or Administrative Borrower on behalf of Canadian Borrowers) up to the aggregate amount outstanding equal to the Canadian Swing Loan Limit, provided, that, after giving effect to any such Canadian Swing Loan, the aggregate principal amount of the Canadian Revolving Loans, Canadian Swing Loans and Canadian Letter of Credit Usage outstanding at any time shall not exceed the lesser of the Canadian Borrowing Base at such time or Canadian Maximum Credit at such time. Each Canadian Swing Loan shall be deemed to be a Canadian Revolving Loan hereunder and shall be subject to all the terms and conditions (including Section 3) applicable to other Canadian Revolving Loans, except that all payments on any Swing Loan shall be payable to Swing Lender solely for its own account. Subject to the provisions of Section 2.2(d)(ii), Swing Lender shall not make and shall not be obligated to make any Canadian Swing Loan if Swing Lender has actual knowledge that (A) one or more of the applicable conditions precedent set forth in Section 3.1 or 3.2 will not be satisfied on the requested Funding Date for the applicable Borrowing, or (B) the requested Borrowing would exceed the Availability on such Funding Date. Swing Lender shall not otherwise be required to determine whether the applicable conditions precedent set forth in Section 3.1 or 3.2 have been satisfied on the Funding Date applicable thereto prior to making any Canadian Swing Loan. The Canadian Swing Loans shall be secured by Agent's Liens, constitute Canadian Revolving Loans and Canadian Obligations hereunder, and bear interest at the rate applicable from time to time to Revolving Loans that are Base Rate Loans. Upon the making of a Canadian Swing Loan, without further action by any party hereto, each Canadian Lender shall be deemed to have irrevocably and unconditionally purchased and received from Swing Lender, without recourse or warranty, an undivided interest and participation to the extent of such Lender's Pro Rata Share in such Canadian Swing Loan. To the extent that there is no Settlement in accordance with Section 2.2(c) hereof, the applicable Swing

Lender may at any time, require the applicable Canadian Lenders to fund their participations. From and after the date, if any, on which any Canadian Lender has funded its participation in any Canadian Swing Loan, Agent shall promptly distribute to such Canadian Lender, not less than weekly, such Lender's Pro Rata Share of all payments of principal and interest received by Agent in respect of such Canadian Swing Loan.

(iii) **Making of Luxembourg Swing Loans.** Subject to the terms and conditions contained herein, Swing Lender agrees that it will make a Luxembourg Revolving Loan (any such Luxembourg Revolving Loan made solely by Swing Lender pursuant to this Section 2.2(b)(iii), being referred to as a "Luxembourg Swing Loan") to Luxembourg Borrower from time to time in amounts requested by Luxembourg Borrower (or Administrative Borrower on behalf of Luxembourg Borrower) up to the aggregate amount outstanding equal to the Luxembourg Swing Loan Limit, provided, that, after giving effect to any such Luxembourg Swing Loan, the aggregate principal amount of the Luxembourg Revolving Loans, Luxembourg Swing Loans and Luxembourg Letter of Credit Usage outstanding at any time shall not exceed the lesser of the Luxembourg Borrowing Base at such time or Luxembourg Maximum Credit at such time. Each Luxembourg Swing Loan shall be deemed to be a Luxembourg Revolving Loan hereunder and shall be subject to all the terms and conditions (including Section 3) applicable to other Luxembourg Revolving Loans, except that all payments on any Swing Loan shall be payable to Swing Lender solely for its own account. Subject to the provisions of Section 2.2(d)(ii), Swing Lender shall not make and shall not be obligated to make any Luxembourg Swing Loan if Swing Lender has actual knowledge that (A) one or more of the applicable conditions precedent set forth in Section 3.1 or 3.2 will not be satisfied on the requested Funding Date for the applicable Borrowing, or (B) the requested Borrowing would exceed the Availability on such Funding Date. Swing Lender shall not otherwise be required to determine whether the applicable conditions precedent set forth in Section 3.1 or 3.2 have been satisfied on the Funding Date applicable thereto prior to making any Luxembourg Swing Loan. The Luxembourg Swing Loans shall be secured by Agent's Liens, constitute Luxembourg Revolving Loans and Luxembourg Obligations hereunder, and bear interest at the rate applicable from time to time to Revolving Loans that are EURIBOR Rate Loans. Upon the making of a Luxembourg Swing Loan, without further action by any party hereto, each Luxembourg Lender shall be deemed to have irrevocably and unconditionally purchased and received from Swing Lender, without recourse or warranty, an undivided interest and participation to the extent of such Lender's Pro Rata Share in such Luxembourg Swing Loan. To the extent that there is no Settlement in accordance with Section 2.2(c) hereof, the applicable Swing Lender may at any time, require the applicable Luxembourg Lenders to fund their participations. From and after the date, if any, on which any Luxembourg Lender has funded its participation in any Luxembourg Swing Loan, Agent shall promptly distribute to such Luxembourg Lender, not less than weekly, such Lender's Pro Rata Share of all payments of principal and interest received by Agent in respect of such Luxembourg Swing Loan.

(c) Making of Revolving Loans.

(i) Promptly after receipt of a request for a Borrowing ~~off~~for a Revolving Loan pursuant to Section 2.2.2(a), Agent shall notify the applicable Lenders by telecopy, telephone, email or other ~~similar~~electronic form of transmission, of the requested Borrowing; such notification to be sent on the Business Day, US Government Securities Business Day or Eurocurrency Banking Day, as applicable that is (A) in the case of a request for a Base Rate Loan to be made in US Dollars, prior to 11:00 a.m. on the Business Day that is the requested Funding Date, (B) in the case of a request for a Base Rate Loan to be made in Canadian Dollars, prior to 11:00 a.m. at least one Business Day prior to the requested Funding Date, (C) in the case of a request for a SOFR Loan, prior to 11:00 a.m. at least three US Government Securities Business Days prior to the requested Funding Date, or (D) in the case of a request for a BA Rate Loan or a EURIBOR Rate Loan, prior to 11:00 a.m. (and in the case of EURIBOR Rate Loans, London time) at least three Eurocurrency Banking Days prior to the requested

Funding Date. Each applicable Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds in the applicable Currency, to Agent's Account, Agent's Canadian Account or Agent's Luxembourg Account, as applicable, not later than 1:00 p.m. ~~on~~ (and, in the case of EURIBOR Rate Loans, London time) on the Business Day that is the Funding Date applicable thereto. After Agent's receipt of the proceeds of such Revolving Loans from the applicable Lenders, Agent shall make the proceeds thereof available to Borrowers on the applicable Funding Date by transferring immediately available funds in the applicable Currency equal to such proceeds received by Agent to the Designated Account; ~~provided, that,~~ subject to the provisions of Section 2.2(d)(ii), ~~Agent shall not request any Lender to make any Revolving Loan if it has knowledge that, and~~ no Lender shall have the obligation to make, any Revolving Loan if (A) one or more of the applicable conditions precedent set forth in Section 3.1 or 3.2 will not be satisfied on the requested Funding Date for the applicable Borrowing unless such condition has been waived, or (B) the requested Borrowing would exceed the Availability on such Funding Date.

(ii) Unless Agent receives notice from a Lender prior to 9:00 a.m. ~~on the date of a~~ (and, in the case of EURIBOR Rate Loans, London time) on the Business Day that is the requested Funding Date relative to a requested Borrowing as to which Agent has notified the Lenders of a requested Borrowing, that such Lender will not make available as and when required hereunder to Agent for the account of Borrowers the amount of that Lender's Pro Rata Share of the Borrowing, Agent may assume that each Lender has made or will make such amount available to Agent in immediately available funds in the applicable Currency on the Funding Date and Agent may (but shall not be so required), in reliance upon such assumption, make available to Borrowers ~~on such date~~ a corresponding amount. If, on the requested Funding Date, any Lender shall not have ~~made its~~ remitted the full amount ~~that it is required to make~~ available to Agent in immediately available funds in the applicable Currency and if Agent ~~in such circumstances has made available to Borrowers such amount on the requested Funding Date, then such Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds in the applicable Currency, to the Agent's Account, the Agent's Canadian Account or the Agent's Luxembourg Account, as applicable, no later than 10:00 a.m. (and, in the case of EURIBOR Rate Loans, London time) on the Business Day that is the first Business Day after the requested Funding Date (in which case, the interest accrued on such Lender's portion of such Borrowing for the Funding Date shall be for Agent's separate account). If any Lender shall not remit the full amount that it is required to make available to Agent in immediately available funds in the applicable Currency as and when required hereby and if Agent~~ has made available to Borrowers such amount, ~~such then that Lender shall, no later than 1:00 p.m. on the Business Day following such Funding Date, make~~ be obligated to immediately remit such amount ~~available~~ to Agent, together with interest at the Defaulting Lender Rate for each day ~~during~~ until the date on which such ~~period~~ amount is so remitted. A notice submitted by Agent to any Lender with respect to amounts owing under this Section 2.2(c)(ii) shall be conclusive, absent manifest error. If ~~such the~~ amount ~~is so that a Lender is required to remit is~~ made available to Agent, then such payment to Agent shall constitute such Lender's Revolving Loan ~~on the date of Borrowing~~ for all purposes of this Agreement. If such amount is not made available to Agent on the Business Day following the Funding Date, Agent will notify ~~Borrowers~~ Administrative Borrower of such failure to fund and, upon demand by Agent, Borrowers shall pay such amount to Agent for Agent's account, together with interest thereon for each day elapsed since the date of such Borrowing, at a rate per annum equal to the interest rate applicable at the time to the Revolving Loans composing such Borrowing.

(d) Protective Advances and Optional Overadvances.

(i) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.2(d)(iv), Agent hereby is authorized by Borrowers and the Lenders, from time to time in Agent's sole discretion, to make Revolving Loans to, or for the benefit of, Borrowers on behalf of the Lenders that Agent, in its Permitted Discretion deems necessary (A) to preserve or protect the Collateral, or any portion thereof, or (B) to enhance the likelihood of repayment of the Obligations (other than the Bank Product Obligations) (any of the Revolving Loans described in this Section 2.3(d)(i) shall be referred to as "Protective Advances"), at any time (1) after the occurrence and during the continuance of a Default or an Event of Default, or (2) that any of the other applicable conditions precedent set forth in Section 3.2 are not satisfied. So long as no Event of Default exists or has occurred and is continuing, Agent shall use reasonable efforts to notify Administrative Borrower of the existence of any Protective Advances on or about the date when made.

(ii) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.2(d)(iv), the Lenders hereby authorize Agent or Swing Lender, as applicable, and either Agent or Swing Lender, as applicable, may, but is not obligated to, knowingly and intentionally, continue to make Revolving Loans (including Swing Loans) to Borrowers notwithstanding that an Overadvance exists or would be created thereby. In any event: (A) if any such Overadvance remains outstanding for more than thirty (30) days, unless otherwise agreed to by the Required Lenders, Borrowers shall immediately repay Revolving Loans (including Swing Loans, if applicable) in an amount sufficient to eliminate all such Overadvances, provided, that, in the event that the Overadvance arises as a result of the establishment of a new category of reserves or the change in the methodology of the calculation of an existing reserve, or as a result of the making of a Loan other than at the request of a Borrower (or Administrative Borrower on behalf of any Borrower), whether a Protective Advance or by charging the Loan Account, Borrowers shall not be required to repay such Overadvance until ten (10) days after notice thereof by Agent to Administrative Borrower and (B) after the date all such Overadvances have been eliminated, there must be at least five (5) consecutive days without the existence of any such Overadvances before intentional Overadvances are made. The foregoing provisions relating to making Overadvances are meant for the benefit of the Lenders and Agent and are not meant for the benefit of Borrowers, which shall continue to be bound by the provisions of Section 2.3. Each Lender with a US Commitment shall be obligated to settle with Agent (or Swing Lender, as applicable) as provided in Section 2.2(e) (or Section 2.13, as applicable) for the amount of such Lender's Pro Rata Share of any unintentional Overadvances by Agent (or Swing Lender) to US Borrowers reported to such Lender, any intentional Overadvances to US Borrowers made as permitted under this Section 2.2(d)(ii), and any Overadvances to US Borrowers resulting from the charging to the US Loan Account of interest, fees, or Lender Group Expenses to the extent permitted by Section 2.4(c). Each Lender with a Canadian Commitment shall be obligated to settle with Agent (or Swing Lender, as applicable) as provided in Section 2.2(e) (or Section 2.13, as applicable) for the amount of such Lender's Pro Rata Share of any unintentional Overadvances by Agent (or Swing Lender) to Canadian Borrowers reported to such Lender, any intentional Overadvances to Canadian Borrowers made as permitted under this Section 2.2(d)(ii), and any Overadvances to Canadian Borrowers resulting from the charging to the Canadian Loan Account of interest, fees, or Lender Group Expenses to the extent permitted by Section 2.4(c). Each Lender with a Luxembourg Commitment shall be obligated to settle with Agent (or Swing Lender, as applicable) as provided in Section 2.2(e) (or Section 2.13, as applicable) for the amount of such Lender's Pro Rata Share of any unintentional Overadvances by Agent (or Swing Lender) to Luxembourg Borrower reported to such Lender, any intentional Overadvances to Luxembourg Borrower made as permitted under this Section 2.2(d)(ii), and any Overadvances to Luxembourg Borrower resulting from the charging to

the Luxembourg Loan Account of interest, fees, or Lender Group Expenses to the extent permitted by Section 2.4(c). The Required Lenders may by written notice to Agent revoke the authority of Agent and Swing Lender to make future Overadvances pursuant to this Section 2.2(d) at any time. So long as no Event of Default exists or has occurred and is continuing, Agent shall use reasonable efforts to notify Administrative Borrower of the existence of any Overadvance on or about the date when made.

(iii) Any Protective Advance or Overadvance to Canadian Borrowers or Luxembourg Borrower may be made by Agent or by a Canadian Lender or a Luxembourg Lender, as applicable, in each case which is an Affiliate of Agent. Each Protective Advance and each Overadvance shall be deemed to be a Revolving Loan hereunder that is a Base Rate Loan (other than a Protective Advance or Overadvance made to Luxembourg Borrower which shall be a EURIBOR Rate Loan) and, prior to Settlement therefor, all payments on the Protective Advances shall be payable to Agent (or the Canadian Lender or Luxembourg Lender which made such Protective Advance) solely for its own account. The Protective Advances and Overadvances shall be repayable on demand, be secured by Agent's Liens, constitute Obligations hereunder, and, subject to the preceding sentence, bear interest at the rate applicable from time to time to Revolving Loans that are Base Rate Loans. The ability of Agent to make Protective Advances is separate and distinct from its ability to make Overadvances and its ability to make Overadvances is separate and distinct from its ability to make Protective Advances. For the avoidance of doubt, the limitations on Agent's ability to make Protective Advances do not apply to Overadvances and the limitations on Agent's ability to make Overadvances do not apply to Protective Advances. The provisions of this Section 2.2(d) relating to making Protective Advances and Overadvances are for the exclusive benefit of Agent, Swing Lender, and the Lenders and are not intended to benefit Borrowers in any way.

(iv) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, no Overadvance or Protective Advance may be made by Agent if such Revolving Loan would cause (A) the aggregate principal amount of Overadvances and Protective Advances outstanding to exceed an amount equal to ten percent (10%) of the Maximum Credit; (B) the US Revolver Usage (excluding amounts charged to the US Loan Account for interest, fees or Lender Group Expenses) to exceed the US Maximum Credit, (C) the Canadian Revolver Usage (excluding amounts charged to the US Loan Account for interest, fees or Lender Group Expenses) to exceed the Canadian Maximum Credit or (D) the Luxembourg Revolver Usage (excluding amounts charged to the US Loan Account for interest, fees or Lender Group Expenses) to exceed the Luxembourg Maximum Credit.

(e) **Settlement.** It is agreed that each US Lender's funded portion of the US Revolving Loans is intended by the Lenders to equal, at all times, such Lender's Pro Rata Share of the outstanding US Revolving Loans. It is agreed that each Canadian Lender's funded portion of the Canadian Revolving Loans is intended by the Lenders to equal, at all times, such Lender's Pro Rata Share of the outstanding Canadian Revolving Loans. It is agreed that each Luxembourg Lender's funded portion of the Luxembourg Revolving Loans is intended by the Lenders to equal, at all times, such Lender's Pro Rata Share of the outstanding Luxembourg Revolving Loans. Such agreement notwithstanding, Agent, Swing Lender, and the other Lenders agree (which agreement shall not be for the benefit of Borrowers) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among the Lenders as to the Revolving Loans (including Swing Loans, Overadvances and Protective Advances) shall take place on a periodic basis in accordance with the following provisions:

(i) Agent shall request settlement ("Settlement") with the Lenders on a weekly basis, or on a more frequent basis if so determined by Agent (1) on behalf of Swing Lender,

with respect to the outstanding Swing Loans, (2) for itself, with respect to the outstanding Protective Advances or Overadvances, and (3) with respect to the Loan Parties' Collections or payments received, as to each by notifying the Lenders by telecopy, telephone, or other similar form of transmission, of such requested Settlement, no later than 2:00 p.m. (and in the case of any Settlements in of Euro Denominated Loans, London time) on the Business Day immediately prior to the date of such requested Settlement (the date of such requested Settlement being the "Settlement Date"). Such notice of a Settlement Date shall include a summary statement of the amount of outstanding Revolving Loans (including Swing Loans, Overadvances and Protective Advances) for the period since the prior Settlement Date. Subject to the terms and conditions contained herein (including Section 2.13): (A) if the amount of the Revolving Loans (including Swing Loans, Overadvances and Protective Advances) made by a Lender that is not a Defaulting Lender exceeds such Lender's Pro Rata Share of the Revolving Loans (including Swing Loans, Overadvances and Protective Advances) as of a Settlement Date, then Agent shall, by no later than 12:00 p.m. (and in the case of any Settlements in of Euro Denominated Loans, London time) on the Settlement Date, transfer in immediately available funds to a Deposit Account of such Lender (as such Lender may designate), an amount such that each such Lender shall, upon receipt of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans, Overadvances and Protective Advances), and (B) if the amount of the Revolving Loans (including Swing Loans, Overadvances and Protective Advances) made by a Lender is less than such Lender's Pro Rata Share of the Revolving Loans (including Swing Loans and Protective Advances) as of a Settlement Date, such Lender shall no later than 12:00 p.m. on the Settlement Date transfer in immediately available funds to Agent's Account, Agent's Canadian Account or Agent's Luxembourg Account, as applicable, an amount such that each such Lender shall, upon transfer of such amount, have as of the Settlement Date, its Pro Rata Share of the Revolving Loans (including Swing Loans, Overadvances and Protective Advances). Such amounts made available to Agent under clause (B) of the immediately preceding sentence shall be applied against the amounts of the applicable Swing Loans, Overadvances or Protective Advances and, together with the portion of such Swing Loans, Overadvances or Protective Advances representing Swing Lender's Pro Rata Share thereof, shall constitute Revolving Loans of such Lenders. If any such amount is not made available to Agent by any Lender on the Settlement Date applicable thereto to the extent required by the terms hereof, Agent shall be entitled to recover for its account such amount on demand from such Lender together with interest thereon at the Defaulting Lender Rate.

(ii) In determining whether a Lender's balance of the Revolving Loans, Swing Loans, and Protective Advances is less than, equal to, or greater than such Lender's Pro Rata Share of the Revolving Loans, Swing Loans, and Protective Advances as of a Settlement Date, Agent shall, as part of the relevant Settlement, apply to such balance the portion of payments actually received in good funds by Agent with respect to principal, interest, fees payable by Borrowers and allocable to the Lenders hereunder, and proceeds of Collateral.

(iii) Between Settlement Dates, Agent, to the extent Protective Advances or Swing Loans are outstanding, may pay over to Agent or Swing Lender or the Canadian Lender or Luxembourg Lender that is an Affiliate of Agent, as applicable, any Collections or payments received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to the Protective Advances, Overadvances or Swing Loans. Between Settlement Dates, Agent, to the extent no Protective Advances, Overadvances or Swing Loans are outstanding, may pay over to Swing Lender any Collections or payments received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to Swing Lender's Pro Rata Share of the Revolving Loans. If, as of any Settlement Date, Collections or payments of Loan Parties received since the then immediately preceding Settlement Date have been applied to Swing Lender's Pro

Rata Share of the Revolving Loans other than to Swing Loans, as provided for in the previous sentence, Swing Lender shall pay to Agent for the accounts of the Lenders, and Agent shall pay to the Lenders (other than a Defaulting Lender if Agent has implemented the provisions of [Section 13](#)), to be applied to the outstanding Revolving Loans of such Lenders, an amount such that each such Lender shall, upon receipt of such amount, have, as of such Settlement Date, its Pro Rata Share of the Revolving Loans. During the period between Settlement Dates, Swing Lender with respect to Swing Loans, Agent with respect to Protective Advances and Overadvances, and each Lender with respect to the Revolving Loans other than Swing Loans, Overadvances and Protective Advances, shall be entitled to interest at the applicable rate or rates payable under this Agreement on the daily amount of funds employed by Swing Lender, Agent, or the Lenders, as applicable.

(iv) Anything in this [Section 2.2\(e\)](#) to the contrary notwithstanding, in the event that a Lender is a Defaulting Lender, Agent shall be entitled to refrain from remitting settlement amounts to the Defaulting Lender and, instead, shall be entitled to elect to act in accordance with [Section 2.13](#).

(f) **Register.** Agent, as a non-fiduciary agent for Borrowers, shall maintain a register (the "**Register**") showing the principal amount of (and stated interest on) the Revolving Loans, owing to each Lender, including the Swing Loans owing to Swing Lender, and Protective Advances owing to Agent, the names and addresses of each Lender, and the interests therein of each Lender, from time to time and such register shall, absent manifest error, conclusively be presumed to be correct and accurate. The Register shall include copies of each Assignment and Acceptance delivered to the Agent. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(g) **Independent Obligations.** All Revolving Loans (other than Swing Loans, Overadvances and Protective Advances) shall be made by the Lenders contemporaneously and in accordance with their Pro Rata Shares. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any Revolving Loan (or other extension of credit) hereunder, nor shall any Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligations hereunder, and (ii) no failure by any Lender to perform its obligations hereunder shall excuse any other Lender from its obligations hereunder.

2.3. Payments; Reductions of Commitments; Prepayments.

(a) Payments by Borrowers.

(i) Except as otherwise expressly provided herein, all payments by any Borrower shall be made to Agent's Account, Agent's Canadian Account or Agent's Luxembourg Account, as applicable, for the account of the Lender Group and shall be made in immediately available funds, no later than 1:00 p.m. on the date specified herein [\(and, in the case of Euro Denominated Loans, London time\)](#). Any payment received by Agent later than 1:00 p.m. [\(and, in the case of Euro Denominated Loans, London time\)](#) shall be deemed to have been received on the following Business Day and any applicable interest or fee shall continue to accrue until (but not including) such following Business Day.

(ii) Unless Agent receives notice from Administrative Borrower prior to the date on which any payment is due to the Lenders that Borrowers will not make such payment in full as and when required, Agent may assume that Borrowers have made (or will make) such payment in full to Agent on such date in immediately available funds and Agent may (but shall not

be so required), in reliance upon such assumption, distribute to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent Borrowers do not make such payment in full to Agent on the date when due, each Lender severally shall repay to Agent on demand such amount distributed to such Lender, together with interest thereon at the Defaulting Lender Rate for each day from the date such amount is distributed to such Lender until the date repaid.

(iii) All payments in respect of the Canadian Obligations of Canadian Loan Parties shall be applied first to Canadian Obligations denominated in the same currency as the payments received and second to the Canadian Obligations denominated in the other currency; provided, that, Agent may, at its option (but is not obligated to), convert such currency received to the currency in which the Canadian Obligations are denominated at the Spot Rate calculated by Agent in good faith on such date and Borrowers shall pay the costs of such conversion (or Agent may, at its option, charge such costs to the Loan Account of any Borrower maintained by such Agent).

(b) Apportionment and Application.

(i) So long as no Application Event has occurred and is continuing and except as otherwise provided herein, all principal and interest payments received by Agent shall be apportioned ratably among the Lenders (according to the unpaid principal balance of the Obligations to which such payments relate held by each Lender) entitled to such payments and all payments of fees and expenses received by Agent (other than fees or expenses that are for Agent's separate account or for the separate account of the Issuing Lender) shall be apportioned ratably among the Lenders having a Pro Rata Share of the type of Commitment or Obligation to which a particular fee or expense relates. Should any payment item not be honored when presented for payment, then Borrowers shall be deemed not to have made such payment and interest shall be calculated accordingly. Each Canadian Letter of Credit shall be denominated in US Dollars or Canadian Dollars. Each Luxembourg Letter of Credit shall be denominated in US Dollars or Euro.

Additionally, Issuing Lender shall have no obligation to issue or extend a Letter of Credit if (A) any order, judgment, or decree of any Governmental Authority or arbitrator shall, by its terms, purport to enjoin or restrain Issuing Lender from issuing such Letter of Credit, or any law applicable to Issuing Lender or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over Issuing Lender shall prohibit or request that Issuing Lender refrain from the issuance of letters of credit generally or such Letter of Credit in particular, ~~or~~ (B) the issuance of such Letter of Credit would violate one or more policies of Issuing Lender applicable to letters of credit generally, or (C) if amounts demanded to be paid under any Letter of Credit will not be in US Dollars or the applicable Alternative Currency.

set forth in Section 3) and, initially, unless later converted to ~~LIBOR Rate~~SOFR Loans shall bear interest at the rate then applicable to US Revolving Loans that are Base Rate Loans. If Issuing Lender makes a payment under a Canadian Letter of Credit or an Underlying Issuer makes a payment under a Canadian Underlying Letter of Credit, Canadian Borrowers shall pay to Agent an amount equal to the applicable Canadian Letter of Credit Disbursement on (i) the date such Canadian Letter of Credit Disbursement is made, if Administrative Borrower has received notice of such Canadian Letter of Credit Disbursement prior to 11:00 a.m. on such date, or (ii) the next Business Day if such notice is not received prior to 11:00 a.m. on such date and, in the absence of such payment on the date when due, the amount of the Canadian Letter of Credit Disbursement immediately and automatically shall be deemed to be a Canadian Revolving Loan hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 3), made in the ~~currency~~Currency in which such Letter of Credit was issued to the applicable Canadian Borrower acting as applicant for such Letter of Credit and, initially, unless later converted to BA Rate Loans, shall bear interest at the rate then applicable to Canadian Revolving Loans that are Base Rate Loans. If a Letter of Credit Disbursement is deemed to be a Revolving Loan hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 3), Borrowers' obligation to pay the amount of such Letter of Credit Disbursement to Issuing Lender shall be automatically converted into an obligation to pay the resulting Revolving Loan. Each Borrower hereby agrees to indemnify, save, defend, and hold Issuing Lender and the other members of the Lender Group harmless with respect to any loss, cost, expense (including reasonable attorneys' fees and expenses), or liability (other than Taxes, which shall be governed by Section 16) incurred by them as a result of the Issuing Lender's indemnification of an Underlying Issuer; provided, that, (i) no Borrower shall be obligated hereunder to indemnify any such person for any such loss, cost, expense, or liability to the extent that it is caused by the bad faith, gross negligence or willful misconduct of such person as determined pursuant to a final, non-appealable order of a court of competent jurisdiction and (ii) Canadian Borrowers and Luxembourg Borrower shall not be obligated to indemnify for any such loss, cost, expense or liability arising under or in connection with a US Letter of Credit. (vi) any adverse change in the relevant exchange rates or in the availability of the relevant currency to any Borrower or any Subsidiary or in the relevant currency markets generally, or

(vii) any Event of Default shall have occurred and be continuing.

(h) Each Borrower hereby authorizes and directs any Underlying Issuer to deliver to the Issuing Lender all instruments, documents, and other writings and property received by such Underlying Issuer pursuant to such Underlying Letter of Credit and to accept and rely upon the Issuing Lender's instructions with respect to all matters arising in connection with such Underlying Letter of Credit and the related application.

(i) Borrowers shall pay to the Issuing Lender, for its own account, a fronting fee equal to (0.125%) per annum, which fee shall be paid monthly in arrears on the first Business Day of each month. (j) If by reason of (i) any Change in Law, or (ii) compliance by the Issuing Lender, any other member of the Lender Group, or Underlying Issuer with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the ~~Federal Reserve~~ Board of Governors as from time to time in effect (and any successor thereto):

(ii) there shall be imposed on the Issuing Lender, any other member of the Lender Group, or Underlying Issuer any other condition regarding any Letter of Credit or Reimbursement Undertaking, Loans or obligations to make Loans hereunder,

and the result of the foregoing is to increase, directly or indirectly, the cost to the Issuing Lender, any other member of the Lender Group, or an Underlying Issuer of issuing, making, participating in, or maintaining any Reimbursement Undertaking or Letter of Credit or to reduce the amount receivable in respect thereof, then, and in any such case, Agent may, at any time within a reasonable period after the additional cost is incurred or the amount received is reduced, notify Administrative Borrower, and Borrowers shall pay within thirty (30) days after demand therefor, such amounts as Agent may specify to be necessary to compensate

the Issuing Lender, any other member of the Lender Group, or an Underlying Issuer for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Base Rate Loans hereunder (provided that, for purposes of the foregoing, any such amount denominated in Euro shall be deemed to be an amount denominated in US Dollars and shall bear interest at the Base Rate); provided, that, (A) no Borrower shall be required to provide any compensation pursuant to this Section 2.9(j) for any such amounts incurred more than one hundred eighty (180) days prior to the date on which the demand for payment of such amounts is first made to Borrowers and (B) if an event or circumstance giving rise to such amounts is retroactive, then the one hundred eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by Agent of any amount due pursuant to this Section 2.9(j), as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

Each commercial Letter of Credit shall expire on the earlier of (i) 120 days after the date of the issuance of such commercial Letter of Credit and (ii) five Business Days prior to the Maturity Date.

(l) If (i) any Event of Default shall occur and be continuing, or (ii) Availability shall at any time be less than zero, then on the Business Day following the date when the Administrative Borrower receives notice from Agent or the Required Lenders (or, if the maturity of the Obligations has been accelerated, Lenders whose Pro Rata Share of the outstanding Letters of Credit represent greater than 50% of the total outstanding Letters of Credit) demanding Letter of Credit Collateralization pursuant to this Section 2.11(l), Borrowers shall provide Letter of Credit Collateralization with respect to the then existing Letter of Credit Usage. If Borrowers are required to provide Letter of Credit Collateralization hereunder as a result of this clause (l), any cash collateral held by Agent as a result of such Letter of Credit Collateralization shall be returned by Agent to Borrowers promptly, but in no event later than five (5) Business Days, after the date such condition no longer exists. If Borrowers fail to provide Letter of Credit Collateralization as required by this Section 2.11(l), the Lenders may (and, upon direction of Agent, shall) advance, as Revolving Loans in the applicable Currency or Currencies in which such Letters of Credit were issued the amount of the cash collateral required pursuant to the Letter of Credit Collateralization provision so that the then existing Letter of Credit Usage is cash collateralized in accordance with the Letter of Credit Collateralization provision (whether or not the Commitments have terminated, an Overadvance exists or the conditions in Section 3 are satisfied).

(m) Unless otherwise expressly agreed by Issuing Lender and Borrowers when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

(n) Issuing Lender shall be deemed to have acted with due diligence and reasonable care if Issuing Lender's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement.

(o) In the event of a direct conflict between the provisions of this Section 2.9 and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of

any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.9 shall control and govern.

(p) The provisions of this Section 2.9 shall survive the termination of this Agreement and the repayment in full of the Obligations with respect to any Letters of Credit that remain outstanding.

(q) At Borrowers' costs and expense, Borrowers shall execute and deliver to Issuing Lender such additional certificates, instruments and/or documents and take such additional action as may be reasonably requested by Issuing Lender to enable Issuing Lender to issue, or cause an Underlying Issuer to issue, any Letter of Credit pursuant to this Agreement and related Issuer Document, to protect, exercise and/or enforce Issuing Lender's rights and interests under this Agreement or to give effect to the terms and provisions of this Agreement or any Issuer Document. (a) **Interest and Interest Payment Dates.** In lieu of having interest charged at the rate based upon the Base Rate, US Borrowers and Canadian Borrowers shall have the option, subject to Section 2.10(b) below (the "~~LIBOR~~SOFR Option") to have interest on all or a portion of the Revolving Loans denominated in US Dollars to be charged (whether at the time when made (unless otherwise provided herein), upon conversion from a Base Rate Loan to a ~~LIBOR-Rate~~SOFR Loan, or upon continuation of a ~~LIBOR-Rate~~SOFR Loan as a ~~LIBOR-Rate~~SOFR Loan) at a rate of interest based upon ~~the LIBOR-Rate~~Adjusted Term SOFR. Interest on ~~LIBOR-Rate~~SOFR Loans shall be payable on the earliest of (i) the last day of the Interest Period applicable thereto (provided, that subject to the following clauses (ii) and (iii), in the case of any Interest Period greater than three months in duration, interest shall be payable at three month intervals after the commencement of the applicable Interest Period and on the last day of such Interest Period); (ii) the date on which all or any portion of the Obligations are accelerated pursuant to the terms hereof, or (iii) the date on which this Agreement is terminated pursuant to the terms hereof. On the last day of each applicable Interest Period, unless Borrowers properly have exercised the ~~LIBOR~~SOFR Option with respect thereto, the interest rate applicable to such ~~LIBOR-Rate~~SOFR Loan automatically shall convert to the rate of interest then applicable to Base Rate Loans of the same type hereunder. At any time that an Event of Default has occurred and is continuing, at the written election of the Required Lenders, Borrowers no longer shall have the option to request that Revolving Loans bear interest at a rate based upon ~~the LIBOR-Rate~~Adjusted Term SOFR.

(b) ~~LIBOR~~SOFR Election.

2.11. Capital Requirements.

(a) If, after the date hereof, any Issuing Lender or any Lender determines that (i) any Change in Law regarding capital, liquidity or reserve requirements for banks or bank holding companies, or (ii) compliance by such Issuing Lender or itssuch Lender or their respective parent bank holding ~~company~~companies with any guideline, request or directive of any ~~such entity~~Governmental Authority regarding capital adequacy or liquidity requirements (whether or not having the force of law), has the effect of reducing the return on such Issuing Lender's or such Lender's, or such holding ~~company's~~companies' capital or liquidity as a consequence of such Issuing Lender's ~~Commitments~~or such Lender's commitments, Loans, participations or other obligations hereunder to a level below that which such Issuing Lender, such Lender or such holding ~~company~~companies could have achieved but for such Change in Law or compliance (taking into consideration such Issuing Lender's, such Lender's or such holding ~~company's~~companies' then existing policies with respect to capital adequacy or liquidity requirements and assuming the full utilization of such entity's capital) by any amount deemed by such Issuing Lender or such Lender to be material, then such Issuing Lender or such Lender may notify Administrative Borrower and Agent thereof. Following receipt of such notice, Borrowers agree to pay such Issuing Lender or such Lender on demand the amount

of such reduction of return of capital as and when such reduction is determined, payable within thirty (30) days after presentation by such Issuing Lender or such Lender of a statement in the amount and setting forth in reasonable detail such Issuing Lender's or such Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, such Issuing Lender or such Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of any Issuing Lender or Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Issuing Lender's or such Lender's right to demand such compensation; provided, that, (A) no Borrower shall be required to compensate an Issuing Lender or a Lender pursuant to this Section for any reductions in return incurred more than one hundred eighty (180) days prior to the date that such Issuing Lender or such Lender notifies Borrowers of such Change in Law giving rise to such reductions and of such Issuing Lender's or such Lender's intention to claim compensation ~~thereforetherefor~~ and (B) if such claim arises by reason of a Change in Law that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. (b) If any Issuing Lender or any Lender requests additional or increased costs referred to in Section 2.10(d)(i) or amounts under Section 2.15(d)(i) or sends a notice under Section 2.10(d)(ii) or Section 2.15(d)(ii) relative to changed circumstances (any such Issuing Lender or Lender, an "Affected Lender"), then such Affected Lender shall use reasonable efforts to promptly designate a different one of its lending offices or to assign its rights and obligations hereunder to another of its offices or branches, if (i) in the reasonable judgment of such Affected Lender, such designation or assignment would eliminate or reduce amounts payable pursuant to Section 2.10(d)(i) or Section 2.15(d)(i), as applicable, or would eliminate the illegality or impracticality of funding or maintaining ~~LIBOR-Rate~~SOFR Loans, EURIBOR Rate Loans or BA Rate Loans and (ii) in the reasonable judgment of such Affected Lender, such designation or assignment would not subject it to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to it. Borrowers agree to pay all reasonable out-of-pocket costs and expenses incurred by such Affected Lender in connection with any such designation or assignment. If, after such reasonable efforts, such Affected Lender does not so designate a different one of its lending offices or assign its rights to another of its offices or branches so as to eliminate Borrowers' obligation to pay any future amounts to such Affected Lender pursuant to Section 2.10(d)(i) or Section 2.15(d)(i), as applicable, or to enable Borrowers to obtain ~~LIBOR-Rate~~SOFR Loans, EURIBOR Rate Loans or BA Rate Loans, then Borrowers (without prejudice to any amounts then due to such Affected Lender under Section 2.10(d)(i) or Section 2.15(d)(i), as applicable) may, unless prior to the effective date of any such assignment the Affected Lender withdraws its request for such additional amounts under Section 2.10(d)(i) or Section 2.15(d)(i), as applicable, or indicates that it is no longer unlawful or impractical to fund or maintain ~~LIBOR-Rate~~SOFR Loans, EURIBOR Rate Loans or BA Rate Loans, may ~~seek a substitute Lender~~designate a different Issuing Lender or substitute a Lender, in each case, reasonably acceptable to Agent to purchase the Obligations owed to such Affected Lender and such Affected Lender's ~~Commitments~~commitments hereunder (a "Replacement Lender"), and if such Replacement Lender agrees to such purchase, such Affected Lender shall assign to the Replacement Lender its Obligations and ~~Commitments, pursuant to an Assignment and Acceptance~~commitments, and upon such purchase by the Replacement Lender, which such Replacement Lender shall be deemed to be an "Issuing Lender" or a "Lender" for purposes of this Agreement and such Affected Lender shall cease to be an "Issuing Lender" or a "Lender" (as the case may be) for purposes of this Agreement.

(c) Notwithstanding anything herein to the contrary, the protection of Sections 2.9(j), 2.10(d), and 2.11 shall be available to each Issuing Lender and each Lender (as applicable) regardless of

any possible contention of the invalidity or inapplicability of the law, rule, regulation, judicial ruling, judgment, guideline, treaty or other change or condition which shall have occurred or been imposed, so long as it shall be customary for Issuing Lenders or lenders affected thereby to comply therewith. Notwithstanding any other provision herein, neither Issuing Lender nor any Lender shall demand compensation pursuant to this Section 2.11 if it shall not at the time be the general policy or practice of Issuing Lender or such Lender (as the case may be) to demand such compensation in similar circumstances under comparable provisions of other credit agreements, if any.

If the aggregate amount of the increases in the US Commitments received from the US Lenders, the aggregate amount of the increases in the Canadian Commitments received from the Canadian Lenders, or the aggregate amount of the increases of the Luxembourg Commitments received from the Luxembourg Lenders, as applicable, does not equal or exceed the amount of the increase in the US Maximum Credit, Canadian Maximum Credit or Luxembourg Maximum Credit, as applicable, requested by Borrowers, Borrowers may seek additional increases from US Lenders, Canadian Lenders or Luxembourg Lenders, as applicable, or US Commitments, Canadian Commitments

or Luxembourg Commitments, as applicable, from such Eligible Transferees as they may determine, subject to the consent of Agent to the extent required by Section 13.1. (ii) the conditions precedent to the making of Revolving Loans set forth in Section 3.2 shall be satisfied as of the date of the increase in the US Maximum Credit, the Canadian Maximum Credit or the Luxembourg Maximum Credit, both before and after giving effect to such increase;

(iii) such increase in the US Maximum Credit, the Canadian Maximum Credit or the Luxembourg Maximum Credit, as applicable, on the date of the effectiveness thereof, shall not violate any applicable Law, regulation or order or decree of any court or other Governmental Authority and shall not be enjoined, temporarily, preliminarily or permanently;

(iv) there shall have been paid to each US Lender, Canadian Lender or Luxembourg Lender, as applicable, and Eligible Transferee providing an additional US Commitment, Canadian Commitment or Luxembourg Commitment in connection with such increase in the US Maximum Credit, Canadian Maximum Credit or Luxembourg Maximum Credit all fees and expenses due and payable to such Person on or before the effectiveness of such increase; and

(v) there shall have been paid to Agent, for the account of the Agent and US Lenders, Canadian Lenders or Luxembourg Lenders, as applicable (in accordance with any agreement among them) all fees and expenses (including reasonable fees and expenses of counsel) due and payable pursuant to any of the Loan Documents on or before the effectiveness of such increase.

(d) As of the effective date of any such increase in the US Maximum Credit, Canadian Maximum Credit or Luxembourg Maximum Credit, each reference to the term US Commitments and US Maximum Credit herein, as applicable, or the term Canadian Commitments and Canadian Maximum Credit, as applicable, or the term Luxembourg Commitments and Luxembourg Maximum Credit, as applicable, and in any of the other Loan Documents shall be deemed amended to mean the amount of the US Commitments and US Maximum Credit, or the amount of the Canadian Commitments and Canadian Maximum Credit, or the amount of Luxembourg Commitments and Luxembourg Maximum Credit, as applicable, specified in the most recent written notice from Agent to Administrative Borrower of the increase in the US Commitments and US Maximum Credit, as applicable, or in the increase in the Canadian Commitments and Canadian Maximum Credit, or the increase in the Luxembourg Commitments and Luxembourg Maximum Credit, as applicable.

(e) Effective on the date of each increase in the US Maximum Credit pursuant to this Section 2.12, each reference in this Agreement to (i) an amount of US Excess Availability shall, automatically and without any further action, be deemed to be increased so that the ratio of the amount of US Excess Availability to the amount of the US Maximum Credit after such increase in the US Maximum Credit remains the same as the ratio of such the amount of US Excess Availability to the amount of the US Maximum Credit prior to such increase in the US Maximum Credit, and (ii) a percentage of US Excess Availability shall, automatically and without any further action, be deemed to refer to such percentage of US Excess Availability after giving effect to such increase in the US Maximum Credit.

(f) Effective on the date of each increase in the Canadian Maximum Credit pursuant to this Section 2.12, each reference in this Agreement to (i) an amount of Canadian Excess Availability shall, automatically and without any further action, be deemed to be increased so that the ratio of the amount of Canadian Excess Availability to the amount of the Canadian Maximum Credit after such increase in the Canadian Maximum Credit remains the same as the ratio of such the amount of Canadian Excess Availability to the amount of the Canadian Maximum Credit prior to such increase in the Canadian Maximum Credit, and (ii) a percentage of Canadian Excess Availability shall, automatically and without any further action, be deemed to refer to such percentage of Canadian Excess Availability after giving effect to such increase in the Canadian Maximum Credit.

(g) Effective on the date of each increase in the Luxembourg Maximum Credit pursuant to this Section 2.12, each reference in this Agreement to (i) an amount of Luxembourg Excess Availability shall, automatically and without any further action, be deemed to be increased so that the ratio of the amount of Luxembourg Excess Availability to the amount of the Luxembourg Maximum Credit after such increase in the Luxembourg Maximum Credit remains the same as the ratio of such the amount of Luxembourg Excess Availability to the amount of the Luxembourg Maximum Credit prior to such increase in the Luxembourg Maximum Credit, and (ii) a percentage of Luxembourg Excess Availability shall,

automatically and without any further action, be deemed to refer to such percentage of Luxembourg Excess Availability after giving effect to such increase in the Luxembourg Maximum Credit.

(h) At the election of Administrative Borrower, up to \$50,000,000 of all Incremental Facilities may be in the form of a separate “first-in, last-out” or “last-out” tranche (the “FILO Tranche”) with interest rate margins, rate floors, upfront fees, funding discounts, advance rates (so long as such advance rates, when combined with the aggregate advance rates set forth in the definition of “US Borrowing Base”, “Canadian Borrowing Base” or “Luxembourg Borrowing Base”, as applicable, do not exceed 100%), premiums, unused fees, original issue discounts and eligibility criteria (which eligibility criteria may be different from the eligibility criteria with respect to the Borrowing Bases applicable to the Revolving Loan Facility (other than the FILO Tranche)), in each case reasonably satisfactory to the Agent and the Lenders providing the FILO Tranche (it being understood to the extent that any financial maintenance covenant is added for the benefit of any FILO Tranche, no consent shall be required from the Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of the Revolving Loan Facility), and other terms to be agreed upon among the Borrowers and the Lenders providing the FILO Tranche so long as (1) any loans and related obligations in respect of the FILO Tranche are not guaranteed by any Person other than the Loan Parties and shall rank equal (or, at the option of the Administrative Borrower, junior) in right of priority to the Agent’s Liens; (2) if availability under the FILO Tranche exceeds \$0, any extension of credit under the Revolving Loan Facility thereafter requested shall be made under the FILO Tranche until the FILO Tranche availability no longer exceeds \$0; (3) as between (x) the Revolving Loan Facility (other than the FILO Tranche) and (y) the FILO Tranche, all proceeds from the liquidation or other realization of the Collateral (including Revolving Loan Priority Collateral) shall be applied, first to repay the obligations owing under, or with respect to, the Revolving Loan Facility (other than the FILO Tranche) including the cash collateralization of Letters of Credit, and second to repay the obligations owing under, or with respect to, the FILO Tranche (it being understood such liquidation or other realization may be applied to repay the FILO Tranche prior to any Bank Products Obligations that are not covered by a Bank Product Reserve Amount); (4) no Borrower may prepay Loans under the FILO Tranche or terminate or reduce the commitments in respect thereof at any time that other Loans (including Swing Loans) are outstanding; (5) no changes affecting the priority status of the Revolving Loan Facility (other than the FILO Tranche) vis-à-vis the FILO Tranche may be made without the consent of each of the Lenders under the Revolving Loan Facility (other than the FILO Tranche) and no changes affecting any other term or condition of the Revolving Loan Facility (other than the FILO Tranche) or any Lender that is not a Lender in respect of the FILO Tranche may be made without the consent of the applicable Lenders (as provided under Section 14.1) under the Revolving Loan Facility (other than the FILO Tranche); and (6) the Required Lenders (calculated as including Lenders under the Incremental Facilities and the FILO Tranche) shall, subject to the terms of the Term Loan Intercreditor Agreement, control exercise of remedies in respect of the Collateral.

(i) This Section shall supersede any provisions in Section 14.1 and Section 15.12 to the contrary.

2.13. Defaulting Lenders.

(a) **Defaulting Lender Adjustments.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of Required Lenders and Supermajority Lenders and as set forth in Section 14.1(e).

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8 or otherwise) or received by Agent from a Defaulting Lender pursuant to Section 16.1 shall be applied at such time or times as may be determined by Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to Issuing Lender or Swing Lender hereunder; third, to provide cash collateral for the Issuing Lender's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.13(e) below; fourth, as Administrative Borrower may request (so long as no Default or Event of Default exists or has occurred and is continuing), to the funding of any Revolving Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Agent; fifth, if so determined by Agent and Administrative Borrower, to be held in a Deposit Account and released pro rata in order to (A) satisfy such Defaulting Lender's potential future funding obligations with respect to Revolving Loans (including Swing Loans, Protective Advances and Overadvances) under this Agreement and (B) provide cash collateral for the benefit of Issuing Lender with respect to future Fronting Exposure of Issuing Lender; sixth, to the payment of any amounts owing to Lenders, the Issuing Lender or Swing Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Lender or Swing Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default shall exist or have occurred and be continuing, to the payment of any amounts owing to Parent as a result of any judgment of a court of competent jurisdiction obtained by Parent against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that, if (A) such payment is a payment of the principal amount of any Revolving Loans or Letter of Credit Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (B) such Revolving Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 3.2 were satisfied and waived, such payment shall be applied solely to pay the Revolving Loans of, and Letter of Credit Disbursements owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Revolving Loans of, or Letter of Credit Disbursements owed to, such Defaulting Lender until such time as all Revolving Loans and funded and unfunded participations in Obligations in respect of Letters of Credit and Swing Loans are held by the Lenders pro rata in accordance with the Commitments without giving effect to Section 2.13(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to Section 2.13(e) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any unused line fee under Section 2.8(c) for any period during which that Lender is a Defaulting Lender (and Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to such Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive letter of credit fees under Section 2.8(b) for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Pro Rata Share of the stated amount of Letters of Credit for which it has provided cash collateral pursuant to Section 2.13(e).

(C) With respect to any Letter of Credit fee not required to be paid to any Defaulting Lender pursuant to clause (i) or (ii) above, Borrowers shall (A) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Obligations in respect of Letters of Credit or Swing Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (c) below, (B) pay to Issuing Lender and Swing Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to Issuing Lender's or Swing Lender's Fronting Exposure to such Defaulting Lender, and (C) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit and Swing Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (A) the conditions set forth in Section 3.2 are satisfied at the time of such reallocation (and, unless Borrowers shall have otherwise notified the Agent at such time, Borrowers shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (B) such reallocation does not cause the aggregate outstanding Revolving Loans and participations in Letters of Credit, Swing Loans and Overadvances of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swing Loans. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, Borrowers shall, without prejudice to any right or remedy available to it hereunder or under law, (A) first, prepay Swing Loans in an amount equal to Swing Lender's Fronting Exposure and (B) second, provide cash collateral for the Issuing Lender's Fronting Exposure in accordance with Section 2.13(e).

(b) **Defaulting Lender Cure.** If Borrowers, Agent, Swing Lender and Issuing Lender agree in writing that a Lender is no longer a Defaulting Lender, Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Loans to be held pro rata by the Lenders in accordance with the Commitments (without giving effect to Section 2.13(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided, that, (i) no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and (ii) except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) **New Swing Loans/Letters of Credit.** So long as any Lender is a Defaulting Lender, (i) Swing Lender shall not be required to fund any Swing Loan unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swing Loan and (ii) no Issuing Lender or Underlying Issuer shall be required to issue, extend or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

(d) **Counterparties.** So long as any Lender is a Defaulting Lender, such Lender shall not be a counterparty with respect to any Hedge Agreement which gives rise to a Hedge Obligation entered into while such Lender was a Defaulting Lender.

(e) **Cash Collateral.** At any time that there shall exist a Defaulting Lender, within one (1) Business Day following the written request of Agent or Issuing Lender (with a copy to Agent), Borrowers shall provide cash collateral to secure the Fronting Exposure of the Issuing Lender with respect to such Defaulting Lender (determined after giving effect to Section 2.13(a)(iv) above and any cash collateral provided by such Defaulting Lender) in an amount not less than one hundred three percent (103%) of the Fronting Exposure of the Issuing Lender.

(i) **Grant of Security Interest.** Borrowers, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to, for the benefit of the Issuing Lender, and agrees to maintain, a first priority security interest in all such cash collateral as security for such Defaulting Lender's obligation to fund participations in respect of Obligations in connection with Letters of Credit, to be applied pursuant to clause (e)(ii) below. If at any time Agent determines that such cash collateral is subject to any right or claim of any Person other than Agent and Issuing Lender as herein provided (other than the Permitted Liens), or that the total amount of such cash collateral is less than the amount specified above, Borrowers shall, promptly upon demand by Agent, pay or provide to Agent additional cash collateral in an amount sufficient to eliminate such deficiency (after giving effect to any cash collateral provided by the Defaulting Lender).

(ii) **Application.** Notwithstanding anything to the contrary contained in this Agreement, cash collateral provided under this Section in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Obligations in connection with Letters of Credit (including, as to cash collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the cash collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iii) **Termination of Requirement.** Cash collateral (or the appropriate portion thereof) provided to reduce Issuing Lender's Fronting Exposure shall no longer be required to be held as cash collateral pursuant to this Section following (A) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (B) the determination by Agent and Issuing Lender that there exists excess cash collateral; provided that, (1) the Person providing cash collateral and Issuing Lender may agree that cash collateral shall be held to support future anticipated Fronting Exposure or other obligations and (2) to the extent that such cash collateral was provided by Borrowers, such cash collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

2.14. Joint and Several Liability of US Borrowers.

(a) Each US Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Lender Group under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other US Borrowers to accept joint and several liability for the Obligations.

(b) Each US Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers to the extent required hereunder, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 2.14), it being the intention of the parties hereto that

all the Obligations shall be the joint and several obligations of each US Borrower without preferences or distinction among them.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers (solely to the extent they are US Borrowers) will make such payment with respect to, or perform, such Obligation until such time as all of the Obligations are paid in full.

(d) The Obligations of each US Borrower under the provisions of this Section 2.14 constitute the absolute and unconditional, full recourse Obligations of such US Borrower enforceable against such US Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of the provisions of this Agreement (other than this Section 2.14(d)) or any other circumstances whatsoever.

(e) Except as otherwise expressly provided in this Agreement, each US Borrower hereby waives notice of acceptance of its joint and several liability to the extent provided in this Section 2.14, notice of any Revolving Loans or Letters of Credit issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by Agent or Lenders under or in respect of any of the Obligations, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable Law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement). Each US Borrower hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations for which it may become liable under this Section 2.14, the acceptance of any payment of any of the Obligations for which it may become liable under this Section 2.14, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by Agent or Lenders at any time or times in respect of any default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by Agent or Lenders in respect of any of the Obligations for which it may become liable under this Section 2.14, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations for which it may become liable under this Section 2.14 or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each US Borrower assents to any other action or delay in acting or failure to act on the part of any Agent or Lender with respect to the failure by any Borrower to comply with any of its respective Obligations, including, without limitation, any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable Laws or regulations thereunder, which might, but for the provisions of this Section 2.14 afford grounds for terminating, discharging or relieving any Borrower, in whole or in part, from any of its Obligations under this Section 2.14, it being the intention of each US Borrower that, so long as any of the Obligations (or Canadian Obligations in the case of Canadian Borrowers or Luxembourg Obligations in the case of Luxembourg Borrower) hereunder remain unsatisfied, the Obligations of such US Borrower under this Section 2.14 shall not be discharged except by performance and then only to the extent of such performance. The Obligations of each US Borrower under this Section 2.14 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any other Borrower or any Agent or Lender.

(f) Each US Borrower represents and warrants to Agent and Lenders that such US Borrower is currently informed of the financial condition of the US Borrowers, the Canadian Borrowers or the Luxembourg Borrower, as applicable, and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations for which such US Borrower may become liable under this Section 2.14. Each US Borrower further represents and warrants to Agent and

Lenders that such US Borrower has read and understands the terms and conditions of the Loan Documents. Each US Borrower hereby covenants that such US Borrower will continue to keep informed of the financial condition of the US Borrowers, the Canadian Borrowers or the Luxembourg Borrower, as applicable, and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations for which such US Borrower may become liable under this Section 2.14.

(g) The provisions of this Section 2.14 are made for the benefit of Agent, each member of the Lender Group, each Bank Product Provider, and their respective successors and assigns, and may be enforced by it or them from time to time against any or all US Borrowers as often as occasion therefor may arise and without requirement on the part of Agent, any member of the Lender Group, any Bank Product Provider, or any of their successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any US Borrower or to exhaust any remedies available to it or them against any US Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 2.14 shall remain in effect until all of the Obligations shall have been paid in full or otherwise fully satisfied. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by Agent or any Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 2.14 will forthwith be reinstated in effect, as though such payment had not been made.

(h) Each US Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against any other US Borrower, the Canadian Borrowers or the Luxembourg Borrower, as applicable, with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to Agent or Lenders with respect to any of the Obligations or any collateral security therefor until such time as all of the Obligations have been paid in full in cash. Any claim which any US Borrower may have against any other Borrower with respect to any payments to any Agent or any member of the Lender Group hereunder or under any of the Bank Product Agreements are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor.

(i) Each US Borrower hereby agrees that after the occurrence and during the continuance of any Default or Event of Default, such US Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such US Borrower until the Obligations shall have been paid in full in cash. If, notwithstanding the foregoing sentence, such US Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such US Borrower as trustee for Agent, and such Borrower shall deliver any such amounts to Agent for application to the Obligations in accordance with Section 2.3(b).

(j) For the avoidance of doubt, each member of the Lender Group and each Borrower acknowledges and agrees that notwithstanding anything to the contrary in this Agreement or any of the other Loan Documents, and notwithstanding that each US Borrower may be jointly and severally liable for all Obligations (including the Canadian Obligations and the Luxembourg Obligations), the Obligations of the Canadian Borrowers and the Luxembourg Borrower under the Loan Documents shall be separate and distinct from the US Obligations and are expressly limited to the Canadian Obligations plus the Luxembourg Obligations. In furtherance of the foregoing, each member of the Lender Group and each Borrower acknowledges and agrees that the liability of any Canadian Borrower or the Luxembourg Borrower for the payment and performance of its covenants, representations and warranties set forth in this

Agreement and the other Loan Documents shall be several from but not joint with the Obligations of the US Borrowers; the Canadian Borrowers and the Luxembourg Borrower shall not guarantee any US Obligations; and the Canadian Collateral and the Luxembourg Collateral shall not secure or be applied in satisfaction, by way of payment, prepayment, or otherwise, of all or any portion of the US Obligations.

2.15. BA Rate Option.

(a) **Interest and Interest Payment Dates.** In lieu of having interest charged at the rate based upon the Base Rate, Canadian Borrowers shall have the option, subject to Section 2.15(b) below (the "BA Rate Option") to have interest on all or a portion of the Canadian Revolving Loans to be made in Canadian Dollars be charged (whether at the time when made (unless otherwise provided herein), upon conversion from a Base Rate Loan to a BA Rate Loan, or upon continuation of a BA Rate Loan as a BA Rate Loan) at a rate of interest based upon the BA Rate. Interest on BA Rate Loans shall be payable on the earliest of (i) the last day of the Interest Period applicable thereto; (ii) the date on which all or any portion of the Obligations ~~become due and payable~~ are accelerated pursuant to the terms hereof, or (iii) the date on which this Agreement is terminated pursuant to the terms hereof. On the last day of each applicable Interest Period, unless Canadian Borrowers properly have exercised the BA Rate Option with respect thereto, the interest rate applicable to such BA Rate Loan automatically shall convert to the rate of interest then applicable to Base Rate Loans in Canadian Dollars. At any time that an Event of Default has occurred and is continuing, at the written election of the Required Lenders, Borrowers no longer shall have the option to request that Canadian Revolving Loans made in Canadian Dollars bear interest at a rate based upon the BA Rate.

(b) BA Rate Election.

(i) Canadian Borrowers may, at any time and from time to time, so long as Borrowers have not received a notice from Agent, after the occurrence and during the continuance of an Event of Default, of the election of the Required Lenders to terminate the right of Canadian Borrowers to exercise the BA Rate Option during the continuance of such Event of Default, elect to exercise the BA Rate Option by notifying Agent prior to 1:00 p.m., at least three (3) ~~Business~~ Eurocurrency Banking Days prior to the commencement of the proposed Interest Period (the "BA Rate Deadline"). Notice of Canadian Borrowers' election of the BA Rate Option for a portion of the Revolving Loans to be made in Canadian Dollars and an Interest Period pursuant to this Section 2.15(b) shall be made by delivery to Agent of a BA Rate Notice received by Agent before the BA Rate Deadline, ~~or by telephonic notice received by Agent before the BA Rate Deadline (to be confirmed by delivery to Agent of a BA Rate Notice received by Agent prior to 5:00 p.m., on the same day).~~ Promptly upon its receipt of each such BA Rate Notice, Agent shall provide a copy thereof to each of the affected Lenders. If Borrowers no longer have the option to request BA Rate Loans, then any outstanding affected BA Rate Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period. If the Borrowers request a conversion to, or continuation of, a BA Rate Loan, but fail to specify an Interest Period, they will be deemed to have specified an Interest Period of one month.

(ii) Each BA Rate Notice shall be irrevocable and binding on Borrowers. In connection with each BA Rate Loan, Borrowers shall, jointly and severally (subject to Section 2.14(j)) indemnify, defend, and hold Agent and the Lenders harmless against any loss, cost, or expense actually incurred by Agent or any Lender as a result of (A) the payment or required assignment of any principal of any BA Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (B) the conversion of any BA Rate Loan other than on the last day of the Interest Period applicable thereto, or (C) the failure to borrow, convert, continue or prepay any BA Rate Loan on the date specified in any BA Rate Notice delivered pursuant hereto (such losses, costs, or expenses, "BA Funding Losses"). A certificate of Agent or a Lender delivered to Administrative Borrower setting forth in

reasonable detail any amount or amounts that Agent or such Lender is entitled to receive pursuant to this Section 2.15 shall be conclusive absent manifest error. Borrowers shall pay such amount to Agent or the Lender, as applicable, within thirty (30) days of the date of its receipt of such certificate. If a payment of a BA Rate Loan on a day other than the last day of the applicable Interest Period would result in a BA Funding Loss, Agent may, in its sole discretion at the request of Administrative Borrower, hold the amount of such payment as cash collateral in support of the Obligations until the last day of such Interest Period and apply such amounts to the payment of the applicable BA Rate Loan on such last day, it being agreed that Agent has no obligation to so defer the application of payments to any BA Rate Loan and that, in the event that Agent does not defer such application, Borrowers shall be obligated to pay any resulting BA Funding Losses.

(iii) Borrowers shall have not more than ten (10) BA Rate Loans, ~~LIBOR Rate~~ SOFR Loans and/or EURIBOR Rate Loans in effect at any given time. Borrowers may only exercise the BA Rate Option for proposed BA Rate Loans of at least C\$1,000,000.

(c) **Conversion.** Borrowers may convert Base Rate Loans in Canadian Dollars to BA Rate Loans at any time by exercising the BA Rate Option. Borrowers may convert BA Rate Loans to Base Rate Loans at any time; provided, that, in the event that BA Rate Loans are converted or prepaid on any date that is not the last day of the Interest Period applicable thereto, including as a result of any automatic prepayment through the required application by Agent of proceeds of Borrowers' and their Restricted Subsidiaries' Collections in accordance with Section 2.3(b) or for any other reason, including early termination of the term of this Agreement or acceleration of all or any portion of the Obligations pursuant to the terms hereof, Borrowers shall, jointly and severally (subject to Section 2.14(j)) indemnify, defend, and hold Agent and the Lenders harmless against any and all BA Funding Losses in accordance with Section 2.15(b)(ii).

(d) **Special Provisions Applicable to BA Rate.**

(i) The BA Rate may be adjusted by Agent with respect to any Lender on a prospective basis to take into account any additional or increased costs to such Lender of maintaining or obtaining ~~any funding deposits~~ for BA Rate Loans or increased costs (other than Taxes which shall be governed by Section 16), in each case, due to changes in applicable Law occurring subsequent to the commencement of the then applicable Interest Period, which additional or increased costs would increase the cost of funding or maintaining loans bearing interest at the BA Rate. In any such event, the affected Lender shall give Administrative Borrower and Agent notice of such a determination and adjustment and Agent promptly shall transmit the notice to each other Lender and, upon its receipt of the notice from the affected Lender, Administrative Borrower may, by notice to such affected Lender (A) require such Lender to furnish to Administrative Borrower a statement setting forth the basis for adjusting such BA Rate and the method for determining the amount of such adjustment, or (B) repay the BA Rate Loans with respect to which such adjustment is made (together with any amounts due under Section 2.15(b)(ii)).

8.10. Invalidity of Loan Documents. The validity or enforceability of any provisions of any Loan Document shall at any time for any reason (other than solely as the result of an action or failure to act on the part of Agent or other than as a result of a transaction expressly permitted hereunder or after the payment in full of the Obligations) cease to be in full force and effect or be declared to be null and void, or any Loan Party or its Subsidiaries purport to revoke, terminate or rescind any provision of any Loan Document, or a proceeding shall be commenced by a Loan Party or its Subsidiaries, or by any Governmental Authority having jurisdiction over a Loan Party or its Subsidiaries, seeking to establish the invalidity or

9. RIGHTS AND REMEDIES.

9.1. Rights and Remedies. Upon the occurrence and during the continuation of an Event of Default, Agent may, and, at the instruction of the Required Lenders, shall (in each case under clauses (a) or (b) by written notice to Administrative Borrower), in addition to any other rights or remedies provided for hereunder or under any other Loan Document or by applicable Law, do any one or more of the following:

(a) declare the Obligations (other than the Bank Product Obligations), whether evidenced by this Agreement or by any of the other Loan Documents immediately due and payable, whereupon the same shall become and be immediately due and payable and Borrowers shall be obligated to repay all of such Obligations in full, without presentment, demand, protest, or further notice or other requirements of any kind, all of which are hereby expressly waived by each Borrower;

(b) declare the Commitments terminated, whereupon the Commitments shall immediately be terminated together with (i) any obligation of any Lender hereunder to make Revolving Loans, (ii) the obligation of Swing Lender to make Swing Loans, and (iii) the obligation of the Issuing Lender to issue Letters of Credit; and

(c) exercise all other rights and remedies available to Agent or the Lenders under the Loan Documents or applicable Law.

The foregoing to the contrary notwithstanding, upon the occurrence of any Event of Default described in Section 8.6, in addition to the remedies set forth above, without any notice to any Borrower or any other Person or any act by the Lender Group, the Commitments shall automatically terminate and the Obligations (other than the Bank Product Obligations), inclusive of all accrued and unpaid interest thereon and all fees and all other amounts owing under this Agreement or under any of the other Loan Documents, shall automatically and immediately become due and payable and Borrowers shall be obligated to repay all of such Obligations in full, without presentment, demand, protest, or notice of any kind, all of which are expressly waived by each Loan Party.

9.2. Remedies Cumulative. The rights and remedies of the Lender Group under this Agreement, the other Loan Documents, and all other agreements shall be cumulative. The Lender Group shall have all other rights and remedies not inconsistent herewith as provided under the Code, the PPSA, by law, or in equity. No exercise by the Lender Group of one right or remedy shall be deemed an election,

and no waiver by the Lender Group of any Event of Default shall be deemed a continuing waiver. No delay by the Lender Group shall constitute a waiver, election, or acquiescence by it.

9.3. Appointment of a Receiver. Upon the occurrence and during the continuance of an Event of Default, Agent may seek the appointment of a receiver, manager or receiver and manager (a "Receiver") under the Laws of Canada or any province thereof to take possession of all or any portion of the Collateral of any Loan Party or to operate same and, to the maximum extent permitted by law, may seek the appointment of such a Receiver without the requirement of prior notice or a hearing. Any such Receiver shall, to the extent permitted by law, so far as concerns responsibility for his/her acts, be deemed to be an agent of such Loan Party and not Agent and the Lenders, and Agent and the Lenders shall not be in any way responsible for any misconduct, negligence or nonfeasance on the part of any such Receiver, or his/her servants or employees, absent the gross negligence, bad faith or willful misconduct of the Agent or the Lenders as determined pursuant to a final, non-appealable order of a court of competent jurisdiction. Subject to the provisions of the instrument appointing him/her, any such Receiver shall have power to take possession of Collateral of any Loan Party, to preserve Collateral of such Loan Party or its value, to carry on or concur in carrying on all or any part of the business of such Loan Party and to sell, lease, license or otherwise dispose of or concur in selling, leasing, licensing or otherwise disposing of Collateral of such Loan Party. To facilitate the foregoing powers, any such Receiver may, to the exclusion of all others, including a Loan Party, enter upon, use and occupy all premises owned or occupied by a Loan Party wherein Collateral of such Loan Party may be situated, maintain Collateral of a Loan Party upon such premises, borrow money on a secured or unsecured basis and use Collateral of a Loan Party directly in carrying on such Loan Party's business or as security for loans or advances to enable the Receiver to carry on such Loan Party's business or otherwise, as such Receiver shall, in its discretion, determine. Except as may be otherwise directed by Agent, all money received from time to time by such Receiver in carrying out his/her appointment shall be received in trust for and paid over to Agent. Every such Receiver may, in the discretion of Agent, be vested with all or any of the rights and powers of Agent and the Lenders. Agent may, either directly or through its nominees, exercise any or all powers and rights given to a Receiver by virtue of the foregoing provisions of this paragraph.

9.4. Collection Allocation Mechanism.

(a) On the first date after the Effective Date on which there shall occur an Event of Default under Section 8.6 or the acceleration of Obligations pursuant to Section 9 (the "CAM Exchange Date"), (i) each Lender shall immediately be deemed to have acquired (and shall promptly make payment therefor to the Agent in accordance with Section 2.2(b) or 2.2(e)) participations in the Swing Loans, in an amount equal to such Lender's Pro Rata Share of each US Swing Loan outstanding on such date, (ii) each Lender shall immediately be deemed to have acquired (and shall promptly make payment therefor to the Agent in accordance with Section 2.9) participations in the Obligations with respect to each Letter of Credit in an amount equal to such Lender's Pro Rata Share of the aggregate amount available to be drawn under such Letter of Credit, and (iii) the Lenders shall automatically and without further act be deemed to have exchanged interests in the Revolving Loans and participations in the Swing Loans and Letters of Credit, such that in lieu of the interest of each Lender in each Revolving Loan and the Obligations with respect to each Swing Loan and Letter of Credit in which it shall participate as of such date (including such Lender's interest in the Obligations, guarantees and Collateral of each Loan Party in respect thereof), such Lender shall hold an interest in every one of the Revolving Loans and a participation in all of the Obligations in respect of Swing Loans and Letters of Credit (including the Obligations, guarantees and Collateral of each Loan Party in respect thereof), whether or not such Lender shall previously have participated therein, equal to such Lender's CAM Percentage thereof (the foregoing exchange being referred to as the "CAM Exchange"). Each Lender and each Loan Party hereby consents and agrees to the CAM Exchange, and each Lender agrees that the CAM Exchange shall be binding upon its successors and assigns and any person that acquires a participation in its interests in any Revolving Loan or any participation in any Swing Loan or

Letter of Credit. Each Loan Party agrees from time to time to execute and deliver to the Agent all such promissory notes and other instruments and documents as the Agent shall reasonably request to evidence and confirm the respective interests of the Lenders after giving effect to the CAM Exchange, and each Lender agrees to surrender any promissory notes originally received by it in connection with its Revolving Loans hereunder to the Agent against delivery of any promissory notes evidencing its interests in the Revolving Loans so executed and delivered; provided, that, the failure of any Loan Party to execute or deliver or of any Lender to accept any such promissory note, instrument or document shall not affect the validity or effectiveness of the CAM Exchange.

(b) As a result of the CAM Exchange, upon and after the CAM Exchange Date, each payment received by Agent pursuant to any Loan Document in respect of any of the Obligations related to the Revolving Loans, the Letters of Credit and the Swing Loans, and all fees, costs and expenses arising out of or related to any of the foregoing, in each case as provided in the Loan Documents, and each distribution made by the Agent in respect of such Obligations, shall be distributed to the Lenders pro rata in accordance with their respective CAM Percentages. Any direct payment received by a Lender upon or after the CAM Exchange Date, including by way of setoff, in respect of an Obligation shall be paid over to the Agent for distribution to the Lenders in accordance herewith.

(c) The provisions of this Section 9.4 are solely an agreement among the Lenders and Agent for the purpose of allocating risk and the Loan Parties have no additional obligations with respect thereto.

(d) For purposes of this Section 9.4, "CAM Percentage" means, as to each Lender, a fraction, expressed as a percentage, of which (i) the numerator shall be the US Dollar Equivalent of the aggregate amount of any Obligations owed to such Lender pursuant to the Loan Documents in respect of Revolving Loans, Letters of Credit and Swing Loans (including, without duplication, as to participations in Letters of Credit and Swing Loans), and fees, costs and expenses with respect to any of the foregoing, whether or not then due and payable, in each case immediately prior to the CAM Exchange Date, and (ii) the denominator shall be the US Dollar Equivalent of the aggregate amount of any Obligations owed to Lenders pursuant to the Loan Documents in respect of Revolving Loans, Letters of Credit and Swing Loans (including, without duplication, as to participations in Letters of Credit and Swing Loans), and fees, costs and expenses with respect to any of the foregoing, whether or not then due and payable, in each case immediately prior to the CAM Exchange Date.

10. WAIVERS; INDEMNIFICATION.

10.1. Demand; Protest; etc. Each Borrower waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by the Lender Group pursuant to the Loan Documents on which such Borrower may in any way be liable.

10.2. The Lender Group's Liability for Collateral. Each Borrower hereby agrees that: (a) so long as Agent complies with its obligations, if any, under the Code and the PPSA, the Lender Group shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by Borrowers.

10.3. Indemnification. Borrowers shall pay, indemnify, defend, and hold the Agent-Related Persons, the Lender-Related Persons, and each Participant (each, an "Indemnified Person") harmless (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations,

proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable fees and disbursements of the following applicable counsel retained by Agent (other than as a result of conflicts of interest) for Indemnified Persons: (i) one US counsel, (ii) one Canadian counsel, (iii) one Luxembourg counsel, (iv) one regulatory counsel to Agent and (v) one local counsel in each appropriate jurisdiction selected by Agent and, if an Event of Default has occurred and is continuing (and such additional counsel is necessary as a result of conflicts of interest), one additional counsel to the Lender Group, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with or as a result of or related to the execution and delivery (provided that Borrowers shall not be liable for costs and expenses (including attorneys' fees) of any Lender (other than WFCF) incurred in advising, structuring, drafting, reviewing, administering or syndicating the Loan Documents), enforcement, performance, or administration (including any restructuring or workout with respect hereto) of this Agreement, any of the other Loan Documents, or the transactions contemplated hereby or thereby or the monitoring of Parent's and its Subsidiaries' compliance with the terms of the Loan Documents (provided, that, the indemnification in this clause (a) shall not extend to (i) disputes solely between or among the Lenders if not resulting from the action or inaction of any Loan Party or (ii) disputes solely between or among the Lenders and their respective Affiliates; it being understood and agreed that the indemnification in this clause (a) shall extend to Agent (but not the Lenders) relative to disputes between or among Agent on the one hand, and one or more Lenders, or one or more of their Affiliates, on the other hand, or (iii) claims primarily related to Taxes, which shall be governed by Section 16), (b) with respect to any investigation, litigation, or proceeding related to this Agreement, any other Loan Document, or the use of the proceeds of the credit provided hereunder (irrespective of whether any Indemnified Person is a party thereto), or any act, omission, event, or circumstance in any manner related thereto, and (c) in connection with or arising out of any presence or release of Hazardous Materials at, on, under, to or from any assets or properties owned, leased or operated by Parent or any of its Subsidiaries or any Environmental Actions, Environmental Liabilities or Remedial Actions related in any way to any such assets or properties of Parent or any of its Subsidiaries (each and all of the foregoing, the "Indemnified Liabilities"). The foregoing to the contrary notwithstanding, no Borrower shall have any obligation to any Indemnified Person under this Section 10.3 with respect to any Indemnified Liability that a court of competent jurisdiction determines pursuant to a final non-appealable order to have resulted from (x) the bad faith, gross negligence or willful misconduct of such Indemnified Person or its officers, directors, employees, attorneys, or agents, (y) a material breach of any express obligations under any Loan Document by such Indemnified Person or its officers, directors, employees, attorneys, or agents or (z) any dispute that is solely among Indemnified Persons (other than any dispute involving claims against Agent or any Issuing Lender, in each case in their respective capacities as such) not involving any actions or omissions of Parent or its Subsidiaries. This provision shall survive the termination of this Agreement and the repayment of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which any Borrower was required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by Borrowers with respect thereto. **WITHOUT LIMITATION, THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF ANY OTHER PERSON, SUBJECT TO THE PROVISIONS OF THIS SECTION 10.3.** THE LOAN PARTIES HEREBY WAIVE ALL FUTURE CLAIMS AGAINST THE AGENT AND THE LENDERS AND EACH OTHER INDEMNIFIED PERSON FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES.

(b) No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register. From and after the date that Agent notifies the assigning Lender (with a copy to Borrowers) that it has received an executed Assignment and Acceptance and recorded the same in the Register and, if applicable, payment of the required processing fee, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall be a "Lender" and shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Section 10.3) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement and the other Loan Documents, such Lender shall cease to be a party hereto and thereto); provided, that, nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender's obligations under Section 15 and Section 17.9(a).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto, (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Borrower or the performance or observance by any Borrower of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto, (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (v) such Assignee appoints and authorizes Agent to take such actions and to exercise such powers under this Agreement and the other Loan Documents as are delegated to Agent, by the terms hereof and thereof, together with such powers as are reasonably incidental thereto, and (vi) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) Immediately upon Agent's receipt of the required processing fee, if applicable, and delivery of notice to the assigning Lender pursuant to Section 13.1(b), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Commitments arising therefrom. The Commitment allocated to each Assignee shall reduce such Commitments of the assigning Lender pro tanto.

(e) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons (a "Participant") participating interests in all or any portion of its Obligations, its Commitment, and the other rights and interests of that Lender (the "Originating Lender") hereunder and under the other Loan Documents; provided, that, (i) the Originating Lender shall remain a "Lender" for all purposes of this Agreement and the other Loan Documents and the Participant receiving the participating interest in the Obligations, the Commitments, and the other rights and interests of the Originating Lender hereunder shall not constitute a "Lender" hereunder or under the other Loan Documents and the Originating Lender's obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrowers, Agent, and the Lenders shall continue to deal solely and directly with the Originating Lender in connection with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other Loan Document would (A) extend the final maturity date of the Obligations hereunder in which such Participant is participating, (B) reduce the interest rate applicable to the Obligations hereunder in which such Participant is participating, (C) release all or substantially all of the Collateral or guarantees (except to the extent expressly provided herein or in any of the Loan Documents) supporting the Obligations hereunder in which such Participant is participating, (D) postpone the payment of, or reduce the amount of, the interest or fees payable to such Participant through such Lender (other than a waiver of default interest), or (E) decreases the amount or postpones the due dates of scheduled principal repayments or prepayments or premiums payable to such Participant through such Lender, in each case of the foregoing clauses (A) through (E), to the extent the consent of the Originating Lender would be required under Section 14.1, and (v) all amounts payable by Borrowers hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement. The rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other Loan Documents or any direct rights as to the other Lenders, Agent, Loan Parties, the Collections of Loan Parties, the Collateral, or otherwise in respect of the Obligations. No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts of (and stated interest on) each Participant's interest in the Loan or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other Obligations under any Loan Document) to any Person except: (i) to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other Obligation is in "registered form" for the purpose of the IRC, including under Section 5f.103-1(c) of the United States Treasury Regulations, and (ii) with respect to the grant to any Participant of an interest in a Canadian Obligation, Originating Lender shall provide Administrative Borrower with such information as it may reasonably request in accordance with Section 16.2(c). For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(f) In connection with any such assignment or participation or proposed assignment or participation or any grant of a security interest in, or pledge of, its rights under and interest in this Agreement, a Lender may, subject to the provisions of Section 17.9, disclose all documents and information which it now or hereafter may have relating to Parent and its Subsidiaries and their respective businesses.

(g) Any other provision in this Agreement notwithstanding, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement in favor of any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Bank or U.S. Treasury Regulation 31 CFR §203.24, and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable Law.

(h) In case of assignment, transfer or novation by a Lender to a new Lender or a Participant, of all or any part of its rights and obligations under this Agreement or any of the other Loan Documents, the Lenders and the new Lender or Participant shall agree that, for the purposes of Article 1278 and/or Article 1281 of the Luxembourg Civil Code (to the extent applicable), any assignment, amendment, transfer and/or novation of any kind permitted under, and made in accordance with the provisions of this Agreement or any agreement referred to herein to which Luxembourg Borrower is a party (including any Luxembourg Security Documents), any security created or the guarantee given under such Loan Document or in relation to such Loan Document shall be preserved and continue in full force and effect to the benefit of the new Lender or Participant.

13.2. Successors. This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, that, no Borrower may assign this Agreement or any rights or duties hereunder without the Lenders' prior written consent and any prohibited assignment shall be absolutely void ab initio. No consent to assignment by the Lenders shall release any Borrower from its Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 13.1 and, except as expressly required pursuant to Section 13.1, no consent or approval by any Borrower is required in connection with any such assignment.

14. AMENDMENTS; WAIVERS.

14.1. Amendments and Waivers.

(a) No amendment, waiver or other modification of any provision of this Agreement or any other Loan Document (other than Bank Product Agreements or the Fee Letter), and no consent with respect to any departure by any Loan Party therefrom, shall be effective unless the same shall be in writing and signed by the Required Lenders (or by Agent at the written request of the Required Lenders) and the Loan Parties that are party thereto and then any such waiver or consent shall be effective, but only in the specific instance and for the specific purpose for which given; provided, that, (i) no such waiver, amendment, or consent shall, unless in writing and signed by all of the Lenders directly affected thereby (which, in the case of all clauses below except clauses (A), (B) and (C), will require the consent of all Lenders), and all of the Loan Parties that are party thereto, do any of the following:

(A) increase the amount of or extend the expiration date of any Commitment of any Lender,

(B) extend, postpone or delay any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees, or other amounts due to any Lender hereunder or under any other Loan Document,

(C) reduce the principal of, or the rate of interest on, any loan or other extension of credit hereunder, or reduce any fees or other amounts payable to any Lender hereunder or under any other Loan Document (except (1) in connection with the waiver of applicability of Section 2.4(b) (which waiver shall be effective with the written consent of the Required Lenders), and (2) that any amendment or modification of defined terms used in any financial covenants in this Agreement

or in the calculation of Excess Availability, Quarterly Average Excess Availability or Monthly Average Excess Availability (or any defined terms used therein) shall not constitute a reduction in the rate of interest or a reduction of fees for purposes of this clause (C)),

(D) amend, modify, or eliminate this Section or any provision of this Agreement providing for consent or other action by all Lenders,

(E) amend, modify, or eliminate Section 15.11 or Section 15.12(b),

(F) release Agent's Lien in and to any of the Collateral, except as permitted by Section 15.11,

(G) amend, modify, or eliminate the definition of "Supermajority Lenders", "Required Lenders" or "Pro Rata Share",

(H) except as otherwise permitted by Section 15.11(a), contractually subordinate (1) any of Agent's Liens in and to the Revolving Loan Priority Collateral, or (2) Agent's Liens in and to all or substantially all of the other Collateral,

(I) release any Borrower from any obligation for the payment of money or consent to the assignment or transfer by any Borrower of any of its rights or duties under this Agreement or the other Loan Documents, or release all or substantially all of the value of the guarantees, except in connection with a merger, liquidation, dissolution or sale of such Person expressly permitted by the terms hereof or the other Loan Documents or, subject to Section 15.11 below, if such Person constitutes an Excluded Subsidiary or Unrestricted Subsidiary,

(J) amend, modify, or eliminate any of the provisions of Section 2.2(d) or Section 2.3(b)(i), (ii), (iii), or (iv), Section 2.3(c)(i) or (v), or Section 3.1 or any other provision regarding the sharing of payment amongst the Lenders,

(K) amend, modify, or eliminate any of the provisions of Section 13.1(a) to permit a Loan Party or an Affiliate of a Loan Party to be permitted to become an Assignee, or

(ii) no such waiver, amendment, or consent shall, unless in writing and signed by the Supermajority Lenders, amend, modify, or eliminate the definition of US Borrowing Base, Canadian Borrowing Base or Luxembourg Borrowing Base or any of the defined terms that are used in such definition (including the definitions of Eligible Accounts and Eligible Inventory) to the extent that any such change results in more credit being made available to Borrowers based upon the US Borrowing Base, Canadian Borrowing Base or Luxembourg Borrowing Base, but not otherwise, or change Sections 2.1(e) or (f) (but exclusive of the right of Agent to eliminate or reduce the amount of reserves).

(b) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive (i) the definition of, or any of the terms or provisions of, the Fee Letter, without the written consent of Agent and Borrowers (and shall not require the written consent of any of the Lenders), and (ii) any provision of Section 15 pertaining to Agent, or any other rights or duties of Agent under this

Agreement or the other Loan Documents, without the written consent of Agent, Borrowers, and the Required Lenders. Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, the consent of Loan Parties and Lenders shall not be required for the exercise by Agent of any of its rights under this Agreement in accordance with the terms of this Agreement with respect to reserves, or the US Borrowing Base, Canadian Borrowing Base or Luxembourg Borrowing Base or any of the defined terms (including the definitions of Eligible Accounts and Eligible Inventory) that are used therein,

(c) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Issuing Lender, or any other rights or duties of Issuing Lender under this Agreement or the other Loan Documents, without the written consent of Issuing Lender, Agent, Borrowers, and the Required Lenders,

(d) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Swing Lender, or any other rights or duties of Swing Lender under this Agreement or the other Loan Documents, without the written consent of Swing Lender, Agent, Borrowers, and the Required Lenders,

(e) Anything in this Section 14.1 to the contrary notwithstanding, (i) any amendment, modification, elimination, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other Loan Document that relates only to the relationship of the Lender Group among themselves, and that does not affect the rights or obligations of any Loan Party, shall not require consent by or the agreement of any Loan Party, (ii) any amendment, waiver, modification, elimination, or consent of or with respect to any provision of this Agreement or any other Loan Document may be entered into without the consent of, or over the objection of, any Defaulting Lender other than any of the matters governed by Section 14.1(a)(i)(A), (B) or (C), (iii) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrowers and the Agent to cure any ambiguity, omission, error, defect or inconsistency so long as, in each case, the Lenders shall have received at least five Business Days' prior written notice thereof and the Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment, ~~and~~ (iii) any amendment contemplated by Section 2.10(d)(iii), or Section 2.15(d)(iii) of this Agreement in connection with a Benchmark Transition Event shall be effective as contemplated by such Section 2.10(d)(iii) or Section 2.15(d)(iii), as applicable, hereof and (iv) any amendment contemplated by Section 2.4(f) of this Agreement in connection with the use or administration of any initial Benchmark shall be effective as contemplated by such Section 2.4(f).

14.2. Replacement of Certain Lenders.

(a) If (i) any action to be taken by the Lender Group or Agent hereunder requires the consent, authorization, or agreement of all Lenders or all Lenders affected thereby and if such action has received the consent, authorization, or agreement of the Required Lenders but not of all Lenders or all Lenders affected thereby, or (ii) any Lender makes a claim for compensation under Section 16, then Borrowers, upon at least five (5) Business Days prior irrevocable notice, may permanently replace any Lender that failed to give its consent, authorization, or agreement (a "Non-Consenting Lender") or any Lender that made a claim for compensation (a "Tax Lender") with one or more Replacement Lenders, and the Non-Consenting Lender or Tax Lender, as applicable, shall have no right to refuse to be replaced hereunder. Such notice to replace the Non-Consenting Lender or Tax Lender, as applicable, shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given.

(b) Prior to the effective date of such replacement, the Non-Consenting Lender or Tax Lender, as applicable, and each Replacement Lender shall execute and deliver an Assignment and

Acceptance, subject only to the Non-Consenting Lender or Tax Lender, as applicable, being repaid in full its share of the outstanding Obligations (without any premium or penalty of any kind whatsoever, but including (i) all interest, fees and other amounts that may be due in payable in respect thereof, and (ii) an assumption of its Pro Rata Share of participations in the Letters of Credit). If the Non-Consenting Lender or Tax Lender, as applicable, shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, Agent may, but shall not be required to, execute and deliver such Assignment and Acceptance in the name or and on behalf of the Non-Consenting Lender or Tax Lender, as applicable, and irrespective of whether Agent executes and delivers such Assignment and Acceptance, the Non-Consenting Lender or Tax Lender, as applicable, shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Non-Consenting Lender or Tax Lender, as applicable, shall be made in accordance with the terms of Section 13.1. Until such time as one or more Replacement Lenders shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Non-Consenting Lender or Tax Lender, as applicable, hereunder and under the other Loan Documents, the Non-Consenting Lender or Tax Lender, as applicable, shall remain obligated to make the Non-Consenting Lender's or Tax Lender's, as applicable, Pro Rata Share of Revolving Loans and to purchase a participation in each Letter of Credit, in an amount equal to its Pro Rata Share of such Letters of Credit.

14.3. No Waivers; Cumulative Remedies. No failure by Agent or any Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or any Lender on any occasion shall affect or diminish Agent's and each Lender's rights thereafter to require strict performance by each Loan Party of any provision of this Agreement. Agent's and each Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Agent or any Lender may have.

15. AGENT; THE LENDER GROUP.

15.1. Appointment and Authorization of Agent. Each Lender hereby designates and appoints WFCF as its agent under this Agreement and the other Loan Documents and each Lender hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to designate, appoint, and authorize) Agent to execute and deliver each of the other Loan Documents on its behalf and to take such other action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to Agent by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as agent for and on behalf of the Lenders (and the Bank Product Providers) on the conditions contained in this Section 15. Any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document notwithstanding, Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender (or Bank Product Provider), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement or the other Loan Documents with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Each Lender hereby further authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to act as the secured party under each of the Loan Documents that create a Lien on any item of Collateral. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising

any discretionary rights or taking or refraining from taking any actions that Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Agent, Lenders agree that Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (a) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Collateral, the Collections of Parent and its Subsidiaries, and related matters, (b) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents, (c) make Revolving Loans, for itself or on behalf of Lenders, as provided in the Loan Documents, (d) exclusively receive, apply, and distribute the Collections of Parent and its Subsidiaries as provided in the Loan Documents, (e) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes with respect to the Collateral and the Collections of Parent and its Subsidiaries, (f) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to Parent or its Subsidiaries, the Obligations, the Collateral, the Collections of Parent and its Subsidiaries, or otherwise related to any of same as provided in the Loan Documents, and (g) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents.

15.2. Delegation of Duties. Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any agent or attorney in fact that it selects as long as such selection was made without gross negligence or willful misconduct.

15.3. Liability of Agent. None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders (or Bank Product Providers) for any recital, statement, representation or warranty made by Parent or any of its Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of Parent or its Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders (or Bank Product Providers) to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of Parent or its Subsidiaries.

15.4. Reliance by Agent. Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, telefacsimile or other electronic method of transmission, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Lender), independent accountants and other experts selected by Agent. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders (and, if it so elects, the Bank Product Providers) against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action.

Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders (and Bank Product Providers).

15.5. Notice of Default or Event of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent shall have received written notice from a Lender or any Borrower referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a "notice of default." Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any. Subject to Section 15.4, Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9; provided, that, unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

15.6. Credit Decision. Each Lender (and Bank Product Provider) acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of Parent and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender (or Bank Product Provider). Each Lender represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) to Agent that it has, independently and without reliance upon any Agent-Related Person and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of any Borrower or any other Person party to a Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to Borrowers. Each Lender also represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of any Borrower or any other Person party to a Loan Document. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall not have any duty or responsibility to provide any Lender (or Bank Product Provider) with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-Related Persons. Each Lender acknowledges (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that Agent does not have any duty or responsibility, either initially or on a continuing basis (except to the extent, if any, that is expressly specified herein) to provide such Lender (or Bank Product Provider) with any credit or other information with respect to any Borrower, its Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent's or its Affiliates' or representatives' possession before or after the date on which such Lender became a party to this Agreement (or such Bank Product Provider entered into a Bank Product Agreement).

15.7. Costs and Expenses; Indemnification. Agent may incur and pay Lender Group Expenses to the extent Agent reasonably deems necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the Loan Documents, including court costs, attorneys' fees and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not Borrowers are obligated to reimburse Agent or Lenders for such expenses pursuant to this Agreement or otherwise. To the extent any Loan Parties are required to reimburse Agent for such Lender Group Expenses, Agent is authorized and directed to deduct and retain sufficient amounts from the Collections of Parent and its Subsidiaries received by Agent to reimburse Agent for such out-of-pocket costs and expenses prior to the distribution of any amounts to Lenders (or Bank Product Providers). In the event Agent is not reimbursed for such costs and expenses by Parent or its Subsidiaries, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's Pro Rata Share thereof. Whether or not the transactions contemplated hereby are consummated, each of the Lenders, on a ratable basis, shall indemnify and defend the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so) from and against any and all Indemnified Liabilities; provided, that, no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence or willful misconduct nor shall any Lender be liable for the obligations of any Defaulting Lender in failing to make a Revolving Loan or other extension of credit hereunder. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's Pro Rata Share of any costs or out of pocket expenses (including attorneys, accountants, advisors, and consultants fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other Loan Document to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrowers. Notwithstanding anything to the contrary contained herein, Lenders shall be liable and indemnify Agent-Related Persons only for Indemnified Liabilities and other costs and expenses that relate to or arise from an Agent-Related Person acting as or for Agent (in its capacity as Agent). The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

15.8. Agent in Individual Capacity. WFCF and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire equity interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Document as though WFCF were not Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, WFCF or its Affiliates may receive information regarding Borrowers or their Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Borrowers or such other Person and that prohibit the disclosure of such information to the Lenders (or Bank Product Providers), and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver Agent will use its reasonable best efforts to obtain), Agent shall not be under any obligation to provide such information to them. The terms "Lender" and "Lenders" include WFCF in its individual capacity.

15.9. Successor Agent. Agent may resign as Agent upon thirty (30) days prior written notice to the Lenders (unless such notice is waived by the Required Lenders) and Administrative Borrower (unless such notice is waived by Borrowers) and without any notice to the Bank Product Providers. If Agent resigns under this Agreement, the Required Lenders shall be entitled, with (so long as no Specified Event of Default has occurred and is continuing) the consent of Administrative Borrower (such consent not to be

unreasonably withheld, delayed, or conditioned), appoint a successor Agent for the Lenders (and the Bank Product Providers). If, at the time that Agent's resignation is effective, it is acting as the Issuing Lender or Swing Lender, such resignation shall also operate to effectuate its resignation as the Issuing Lender or Swing Lender, as applicable, and it shall automatically be relieved of any further obligation to issue Letters of Credit, to cause the Underlying Issuer to issue Letters of Credit, or to make Swing Loans. If no successor Agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with the Lenders and Administrative Borrower, a successor Agent from among Lenders (unless no Lender is willing to accept such appointment, then otherwise as Agent determines). If Agent has materially breached or failed to perform any material provision of this Agreement or of applicable Law, the Required Lenders may agree in writing to remove and replace Agent with a successor Agent from among the Lenders with (so long as no Specified Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned). In any such event, upon the acceptance of its appointment as successor Agent hereunder, such successor Agent shall succeed to all the rights, powers, and duties of the retiring Agent and the term "Agent" shall mean such successor Agent and the retiring Agent's appointment, powers, and duties as Agent shall be terminated. After any retiring Agent's resignation hereunder as Agent, the provisions of this Section 15 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement. If no successor Agent has accepted appointment as Agent by the date which is thirty (30) days following a retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Agent hereunder until such time, if any, as the Lenders appoint a successor Agent as provided for above.

15.10. Lender in Individual Capacity. Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other members of the Lender Group (or the Bank Product Providers). The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, such Lender and its respective Affiliates may receive information regarding Parent or their Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders, and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

15.11. Collateral Matters.

(a) Agent's Lien on any of the Collateral shall be automatically released, and the Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to evidence such release of any Lien on any of the Collateral, (i) upon termination of the Commitments and payment and satisfaction of all of the Obligations, (ii) constituting property being sold or disposed of if Administrative Borrower or any Loan Party certifies to Agent that the sale or disposition is not prohibited by Section 6.4 (and Agent may rely conclusively on any such certificate, without further inquiry), (iii) upon any Loan Party (x) becoming an Excluded Subsidiary or an Unrestricted Subsidiary, or (y) ceasing to be a Subsidiary in a transaction permitted by this Agreement, (iv) constituting property in which any Loan Party did not own an interest at the time the security interest, mortgage or lien was granted or at any time thereafter, (v) having a value in the aggregate in any twelve (12) month period of less than \$5,000,000, and to the extent Agent may release its Lien on

any such Collateral pursuant to the sale or other disposition thereof, such sale or other disposition shall be deemed consented to by Lenders, (vi) if required or permitted under the terms of any of the other Loan Documents, including any intercreditor agreement, (vii) constituting property leased to a Loan Party under a lease that has expired or is terminated, or (viii) subject to Section 14.1 and the Security Agreement, if the release is approved, authorized or ratified in writing by the Lenders; provided that notwithstanding the foregoing, no Liens shall be released pursuant to the foregoing clause (iii), if an Event of Default exists or would be caused thereby. In no event shall the consent or approval of an Issuing Lender to any release of Collateral be required. Nothing contained herein shall be construed to require the consent of any Bank Product Provider to any release of any Collateral or termination of security interests in any Collateral. Upon request by Agent or any Borrower at any time, the Lenders will (and if so requested, the Bank Product Providers will) confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 15.11; provided, that, (1) Agent shall not be required to execute any document necessary to evidence such release on terms that, in Agent's reasonable opinion, would expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of any Borrower in respect of) all interests retained by any Loan Party, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral. The Lenders further hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, at its option and in its sole discretion, to subordinate any Lien granted to or held by Agent under any Loan Document to the holder of any Permitted Lien on such property if such Permitted Lien secures Permitted Purchase Money Indebtedness.

(b) The Loan Parties and the Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, based upon the instruction of the Required Lenders, to (A) consent to, credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code or other bankruptcy or insolvency laws, including under Section 363 of the Bankruptcy Code, (B) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the Code or the PPSA, including pursuant to Sections 9-610 or 9-620 of the Code, or (C) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any other sale or foreclosure conducted by Agent (whether by judicial action or otherwise) in accordance with applicable Law. In connection with any such credit bid or purchase, the Obligations owed to the Lenders and the Bank Product Providers shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such claims cannot be estimated without unduly delaying the ability of Agent to credit bid, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the asset or assets purchased by means of such credit bid) and the Lenders and the Bank Product Providers whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the asset or assets so purchased (or in the Equity Interests of the acquisition vehicle or vehicles that are used to consummate such purchase).

(c) Agent shall have no obligation whatsoever to any of the Lenders (or the Bank Product Providers) to assure that the Collateral exists or is owned by a Loan Party or is cared for, protected, or insured or has been encumbered, or that Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, or that any particular items of Collateral meet the eligibility criteria applicable in respect thereof or whether to impose, maintain, reduce, or eliminate any particular reserve hereunder or whether the amount of any such reserve is

appropriate or not, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender (or Bank Product Provider) as to any of the foregoing, except as otherwise provided herein.

~~(d) Notwithstanding anything contained in this Agreement or in any other Loan Document to the contrary, no Mortgage shall be executed and delivered unless and until at least ten (10) Business Days in advance of such execution and delivery, Agent shall have delivered to each Lender (A) written notice thereof, and (B) such flood certification documentation or other documentation with respect thereto as may be required or reasonably requested by any Lender with respect to any Flood Laws; provided, however, that the failure to execute and deliver any Mortgage pursuant to this Section 15.11(d) shall not constitute a breach by the Loan Parties or a Default or Event of Default hereunder or under any other Loan Document.~~

15.12. Restrictions on Actions by Lenders; Sharing of Payments.

(a) Each of the Lenders agrees that it shall not, without the express written consent of Agent and only to the extent it is lawfully entitled to do so, set off against the Obligations, any amounts owing by such Lender to Parent or its Subsidiaries or any Deposit Accounts of Parent or its Subsidiaries now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any Loan Document against any Borrower or any Guarantor or to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

(b) If, at any time or times any Lender shall receive (i) by payment, foreclosure, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's Pro Rata Share of all such distributions by Agent, such Lender promptly shall (A) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, that, to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment. Notwithstanding anything to the contrary contained herein, to the extent that cash collateral has been specifically pledged by a Borrower to a Lender prior to the date hereof to secure the Bank Product Obligations owing to such Lender, such Lender may apply such cash collateral to such Bank Product Obligations, after notice to Agent, and shall only be required to comply with this Section 15.12(b) as to such cash collateral to the extent that the amount of such cash collateral exceeds the applicable Bank Product Obligations.

15.13. Agency for Perfection. Agent hereby appoints each other Lender (and each Bank Product Provider) as its agent (and each Lender hereby accepts (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to accept) such appointment) for the purpose of perfecting Agent's Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the Code or in accordance with the PPSA can be perfected by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent's instructions.

15.14. Payments by Agent to the Lenders. All payments to be made by Agent to the Lenders (or Bank Product Providers) shall be made by bank wire transfer of immediately available funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to Agent. Concurrently with each such payment, Agent shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the Obligations.

15.15. Concerning the Collateral and Related Loan Documents. Each member of the Lender Group authorizes and directs Agent to enter into this Agreement and the other Loan Documents. Each member of the Lender Group agrees (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to agree) that any action taken by Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders (and such Bank Product Provider). Each Lender hereby authorizes Agent, on behalf of such Lender, to execute the Reaffirmation of US Loan Documents, the Reaffirmation of Canadian Loan Documents, and each other amendment, supplement or modification to a Loan Document to be executed and delivered on the Effective Date.

15.16. Field Examination Reports; Confidentiality; Disclaimers by Lenders; Other Reports and Information.

(a) By becoming a party to this Agreement, each Lender:

(i) is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, a copy of each field examination report respecting Parent or its Subsidiaries (each, a "Report") prepared by or at the request of Agent, and Agent shall so furnish each Lender with such Reports,

(ii) expressly agrees and acknowledges that Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(iii) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent or other party performing any audit or examination will inspect only specific information regarding Parent and its Subsidiaries and will rely significantly upon Parent's and its Subsidiaries' books and records, as well as on representations of each Borrower's personnel,

(iv) agrees to keep all Reports and other material, non-public information regarding Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 17.9, and

(v) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of Borrowers, and (ii) to pay and protect, and indemnify, defend and hold Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who obtains all or part of any Report through the indemnifying Lender.

(b) In addition to the foregoing, any Lender may from time to time request of Agent in writing that Agent provide to such Lender a copy of any report or document provided by Parent or any Subsidiary of Parent to Agent that has not been contemporaneously provided by Parent or its Subsidiaries to such Lender, and, upon receipt of such request, Agent promptly shall provide a copy of same to such Lender, (i) to the extent that Agent is entitled, under any provision of the Loan Documents, to request additional reports or information from Parent or its Subsidiaries, any Lender may, from time to time, reasonably request Agent to exercise such right as specified in such Lender's notice to Agent, whereupon Agent promptly shall request of such Borrower the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from Parent or its Subsidiaries, Agent promptly shall provide a copy of same to such Lender, and (ii) any time that Agent renders to any Borrower a statement regarding the Loan Account, Agent shall send a copy of such statement to each Lender.

15.17. Agent May File Proofs of Claim.

(a) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding or other Insolvency Proceeding relative to any Loan Party, Agent (irrespective of whether the principal of any Obligations or amounts owing in respect of Letters of Credit shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Obligations and all other Obligations (other than obligations under Bank Products to which Agent is not a party) that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of Lenders, Issuing Lender and Agent, including any claim for the reasonable compensation, expenses, disbursements and advances of Lenders, Issuing Lender and Agent and their respective agents and counsel and all other amounts due Lenders, Issuing Lender and Agent allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Lender to make such payments to Agent and, in the event that Agent shall consent to the making of such payments directly to Lenders and Issuing Lender, to pay to Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Agent and its agents and counsel, and any other amounts due Agent.

(iii) Nothing contained herein shall be deemed to authorize Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Lender any plan of

reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize Agent to vote in respect of the claim of any Lender in any such proceeding.

15.18. Several Obligations; No Liability. Notwithstanding that certain of the Loan Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 15.7, no member of the Lender Group shall have any liability for the acts of any other member of the Lender Group. No Lender shall be responsible to any Borrower or any other Person for any failure by any other Lender (or Bank Product Provider) to fulfill its obligations to make credit available hereunder, nor to advance for such Lender (or Bank Product Provider) or on its behalf, nor to take any other action on behalf of such Lender (or Bank Product Provider) hereunder or in connection with the financing contemplated herein.

15.19. Appointment for the Province of Quebec. Without prejudice to Section 15.1 above, each member of the Lender Group (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to) hereby irrevocably appoints the Agent as hypothecary representative (formerly referred to as the person holding the power of attorney or *fondé de pouvoir*) for the holders of each Bond (as hereinafter defined) or for each member of the Lender Group, as the case may be (in each case, collectively, the "Secured Parties"), as contemplated under Article 2692 of the *Civil Code of Quebec*, (i) to enter into, to take and to hold on behalf of the Secured Parties, and for their benefit, any deed of hypothec executed or to be executed at any time by a Loan Party under the laws of the Province of Quebec and creating a hypothec on the property of such Loan Party (as security for the Bond or the Obligations, as the case may be) and to exercise such powers and duties which are conferred upon the Agent under any such deed of hypothec and applicable Law, (ii) to hold as agent, mandatary, custodian and depositary for and on behalf of each of the Secured Parties and to be the sole registered holder of any bond, debenture or other title of indebtedness (each, a "Bond") issued under any deed of hypothec which contemplates the issuance of a Bond, as applicable, the whole notwithstanding Section 32 of the *Act Respecting the Special Powers of Legal Persons* (Quebec) or any other applicable Law, and (iii) to enter into, to take and to hold a pledge agreement in respect of each Bond (each, a "Pledge"), as applicable, executed at any time by such Loan Party under the laws of the Province of Quebec and evidencing the pledge of such Bond as security for the payment and performance of the applicable Obligations. In this respect, (a) Wells Fargo, as agent, mandatary, custodian and depositary of the Secured Parties, shall keep a record indicating the names and addresses of, and the *pro rata* portion of the Obligations secured by each Pledge, owing to the Persons for and on behalf of whom each Bond is so held from time to time, and (b) each Secured Party will be entitled to the benefits of any property charged under each deed of hypothec and each Pledge and will participate in the proceeds of realization of any such property, the whole in accordance with the terms hereof. Any Person who becomes a Secured Party shall be deemed to have consented to and confirmed the appointment of the Agent as hypothecary representative. The execution prior to the date hereof by the Agent of any deed of hypothec, Pledge or other security documents made pursuant to the applicable Laws of the Province of Quebec is hereby ratified and confirmed. In the event of the resignation or removal of the Agent and appointment of a successor Agent, such successor Agent shall also act as hypothecary representative without further formality, except (i) the execution of any documents necessary for the purposes of effecting the assignment and transfer of any related Bonds and Pledges (which may include the issuance and delivery of replacement

Bonds and the amendment and restatement of the Pledges), as applicable, and (ii) the filing of a notice of replacement of hypothecary representative in the applicable registers (as contemplated by Article 2692 of the *Civil Code of Québec*). Without prejudice to Section 12(a) hereof, the provisions of this paragraph shall be governed and interpreted in accordance with the laws of the Province of Quebec to the extent necessary to give full force and effect thereto.

15.20. Authorization.

(a) [Reserved].

(b) Each Lender hereby (i) consents to the subordination of Liens provided for in the Term Loan Intercreditor Agreement or any other intercreditor contemplated herein, (ii) agrees that it will be bound by, and will take no actions contrary to, the provisions of the Term Loan Intercreditor Agreement or such other intercreditor, (iii) ratifies Agent's prior entry into the Term Loan Intercreditor Agreement or such other intercreditor on behalf of such Lender, authorizes and instructs Agent to deliver to Term Loan Agent the Acknowledgment of Term Loan Intercreditor Agreement on the date hereof, and agrees that Agent may take such actions on its behalf as is contemplated by the terms of the Term Loan Intercreditor Agreement or such other intercreditor, and (iv) acknowledges that a copy of the Term Loan Intercreditor Agreement and the Acknowledgment of Term Loan Intercreditor Agreement was delivered, or made available, to such Lender and it has received and reviewed such agreement and acknowledgment. Notwithstanding anything herein to the contrary, the Lien and security interest granted pursuant to this Agreement and the other Loan Documents and the exercise of any right or remedy hereunder are subject to the provisions of the Term Loan Intercreditor Agreement and any other intercreditor. In the event of any conflict between the terms of the Term Loan Intercreditor Agreement and/or any other intercreditor and any of the other Loan Documents, the terms of the Term Loan Intercreditor Agreement and any other intercreditor shall govern and control except as expressly set forth in the Term Loan Intercreditor Agreement. Furthermore, in the event the Term Loan Credit Agreement has not been terminated, notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, if there is a delivery or control obligation with respect to any Term Loan Priority Collateral and such delivery or grant of control cannot be made by the applicable Loan Party to both Agent and Term Loan Agent, such delivery requirement shall be satisfied by delivery by the applicable Grantor to Term Loan Agent.

15.21. [Reserved].

15.22. Luxembourg Security. In the event that a transfer by any Lender of its rights and/or obligations under this Agreement (and any relevant Loan Documents) occurred or was deemed to occur by way of novation (it being understood that no such transfer shall be intended to occur by way of novation), the parties to this Agreement explicitly agree that all securities and guarantees created under any Loan Documents shall be preserved for the benefit of the new Lender, new secured party, participant or their successors or assignees in accordance with the provisions of article 1278 of the Luxembourg Civil Code.

16. WITHHOLDING TAXES.

16.1. No Setoff; Payments. All payments made by any Loan Party hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense. In addition, all such payments will be made free and clear of, and without deduction or withholding for, any present or future Taxes except as required by Law, and in the event any deduction or withholding of Taxes is required, the Loan Parties shall comply with the next sentence of this Section 16.1. If any Taxes are required to be deducted or withheld, (i) the applicable Loan Party or other withholding agent shall make the required withholding or deduction and timely pay the applicable Governmental Authority the withheld amounts, and (ii) if the Tax subject to withholding is an Indemnified Tax, the Loan Parties agree to pay the full amount

of such Indemnified Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or Loan Document, including any amount paid pursuant to this Section 16.1 after withholding or deduction for or on account of any Indemnified Taxes, will not be less than the amount provided for herein; provided, that Borrowers shall not be required to increase any such amounts if the increase in such amount payable results from Agent's or such Lender's own willful misconduct or gross negligence (as finally determined by a court of competent jurisdiction). Borrowers will furnish to Agent as promptly as possible after the date the payment of any Tax is due pursuant to applicable Law, certified copies of tax receipts evidencing such payment by Borrowers or such other evidence as is reasonably satisfactory to Agent. Borrowers agree to pay any present or future stamp, value added or documentary taxes or any other excise or property taxes, similar charges, or similar levies that arise from any payment made hereunder or from the execution, delivery, performance, recordation, or filing of, or otherwise with respect to this Agreement or any other Loan Document, except any such taxes that are Other Connection Taxes imposed with respect to an assignment by a Lender after the date hereof (other than an assignment made pursuant to Section 14.2(a) or otherwise at the request of a Loan Party during an Event of Default described in Sections 8.1, 8.6 or 8.10) ("Other Taxes") except for any Luxembourg registration duties (droits d'enregistrement) payable due to registration of any Loan Document when such registration is or was not required to maintain or preserve the rights of a Lender under that Loan Document. The Loan Parties shall jointly and severally (subject to the penultimate sentence of this Section 16.1) indemnify each of Agent, Lenders and Issuing Lender (collectively a "Tax Indemnitee") for the full amount of Indemnified Taxes imposed on or with respect to any payment made by or on account of any obligation under this Agreement or any other Loan Document or breach thereof by any Loan Party (including, without limitation, any Taxes imposed or asserted on, or attributable to, amounts payable under this Section 16.1) imposed on, or paid by, such Tax Indemnitee and all reasonable costs and expenses related thereto (including reasonable fees and disbursements of attorneys and other tax professionals), as and when they are incurred and irrespective of whether suit is brought, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided, that, the Loan Parties shall not be required to increase any such amount if the increase in such amount payable results from such Tax Indemnitee's own willful misconduct or gross negligence (as finally determined by a court of competent jurisdiction). Notwithstanding the foregoing, no Loan Party that is a CFC or CFC Holding Company (including the Canadian Borrowers and the Canadian Guarantors and Luxembourg Borrower) shall be liable under this Section 16.1 with respect to any taxes imposed on or with respect to any payment made by or on account of any obligation of a US Loan Party. The obligations of the Loan Parties under this Section 16 shall survive the termination of this Agreement, the resignation and replacement of the Agent, and the repayment of the Obligations.

16.2. Exemptions.

(a) If a Lender or Participant is entitled to claim an exemption or reduction from United States withholding tax, such Lender or Participant agrees with and in favor of Agent, to deliver to Agent and Administrative Borrower (or, in the case of a Participant, to the Lender granting the participation only) one of the following before receiving its first payment under this Agreement:

(i) if such Lender or Participant is entitled to claim an exemption from United States withholding tax pursuant to the portfolio interest exception, (A) a statement of the Lender or Participant, signed under penalty of perjury, that it is not a (1) a "bank" as described in Section 881(c)(3)(A) of the IRC, (2) a ten percent (10%) shareholder of any Borrower (within the meaning of Section 871(h)(3)(B) of the IRC), or (3) a controlled foreign corporation related to any Borrower within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN or W-8BEN-E, as applicable, or Form W-8IMY (with proper attachments);

(ii) if such Lender or Participant is entitled to claim an exemption from, or a reduction of, withholding tax under a United States tax treaty, a properly completed and executed copy of IRS Form W-8BEN or W-8BEN-E, as applicable;

(iii) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender, a properly completed and executed copy of IRS Form W-8ECI;

(iv) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because such Lender or Participant serves as an intermediary, a properly completed and executed copy of IRS Form W-8IMY (with proper attachments); or

(v) a properly completed and executed copy of any other form or forms, including IRS Form W-9, as may be required under the IRC or other laws of the United States as a condition to exemption from, or reduction of, United States withholding or backup withholding tax, including under FATCA.

(b) (i) Each Lender or Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms, at the time or times prescribed by applicable Law and upon the reasonable request of the Agent or Administrative Borrower and shall promptly notify Agent and Administrative Borrower (or, in the case of a Participant, to the Lender granting the participation only) of any change in circumstances which would modify or render invalid any claimed exemption or reduction. In addition, each Lender, if reasonably requested by the Administrative Borrower or the Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Administrative Borrower or the Agent as will enable the Borrowers or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. The completion, execution and submission of such documentation (other than such documentation set forth in Section 16.2(a) above and this Section 16.2(b)) shall not be required if in such Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Administrative Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Administrative Borrower or the Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrowers or the Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the IRC, as applicable), such Lender shall deliver to the Administrative Borrower and Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower or the Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the IRC) and such additional documentation reasonably requested by the Administrative Borrower or the Agent as may be necessary for the Borrowers and the Agent

to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment.

(c) If a Lender or Participant claims an exemption from withholding tax in a jurisdiction other than the United States, such Lender or such Participant agrees with and in favor of Agent and Borrowers to deliver to Agent and Administrative Borrower (or, in the case of a Participant, to the Lender granting the participation only) any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax, and such other documentation as may be reasonably requested by Administrative Borrower or Agent in connection with any such exemption or reduction, before receiving its first payment under this Agreement, but only if such Lender or such Participant is legally able to deliver such forms, provided, that, nothing in this Section 16.2(c) shall require a Lender or Participant to disclose any information that it deems to be confidential (including without limitation, its tax returns). Each Lender and each Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and to promptly notify Agent and Administrative Borrower (or, in the case of a Participant, to the Lender granting the participation only) of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(d) If a Lender or Participant claims exemption from, or reduction of, withholding tax and such Lender or Participant sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Borrowers to such Lender or Participant, such Lender or Participant agrees to notify Agent and Administrative Borrower (or, in the case of a sale of a participation interest, to the Lender granting the participation only) of the percentage amount in which it is no longer the beneficial owner of Obligations of Borrowers to such Lender or Participant. To the extent of such percentage amount, Agent and Administrative Borrower will treat such Lender's or such Participant's documentation provided pursuant to Section 16.2(b) or 16.2(c) as no longer valid. With respect to such percentage amount, such Participant or Assignee may provide new documentation, pursuant to Section 16.2(b) or 16.2(c), if applicable. Each Borrower agrees that each Participant shall be entitled to the benefits of this Section 16 with respect to its participation in any portion of the Commitments and the Obligations so long as such Participant complies with the obligations set forth in this Section 16 with respect thereto; provided, however, that such Participant shall not be entitled to receive any greater payment under this Section 16 with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after such Participant acquired the applicable participation.

16.3. Reductions.

(a) If a Lender or a Participant is entitled to a reduction in the applicable withholding tax, Agent (or, in the case of a Participant, to the Lender granting the participation) may withhold from any interest payment to such Lender or such Participant an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by Section 16.2(c) or 16.2(d) are not delivered to Agent and Administrative Borrower (or, in the case of a Participant, to the Lender granting the participation), then Agent and Borrowers (or, in the case of a Participant, to the Lender granting the participation) may withhold from any interest payment to such Lender or such Participant not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(b) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that Agent (or, in the case of a Participant, to the Lender granting the participation) did not properly withhold tax from amounts paid to or for the account of any Lender or any Participant due to a failure on the part of the Lender or any Participant (because the appropriate form was

not delivered, was not properly executed, or because such Lender failed to notify Agent (or such Participant failed to notify the Lender granting the participation) of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold Agent harmless (or, in the case of a Participant, such Participant shall indemnify and hold the Lender granting the participation harmless) for all amounts paid, directly or indirectly, by Agent (or, in the case of a Participant, to the Lender granting the participation), as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to Agent (or, in the case of a Participant, to the Lender granting the participation only) under this Section 16, together with all costs and expenses (including attorneys' fees and expenses). The obligation of the Lenders and the Participants under this subsection shall survive the payment of all Obligations and the resignation or replacement of Agent.

16.4. Refunds. If Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by Loan Parties or with respect to which Borrowers have paid additional amounts pursuant to this Section 16, so long as no Default or Event of Default has occurred and is continuing, it shall pay over such refund to Borrowers (but only to the extent of payments made, or additional amounts paid, by Borrowers under this Section 16 with respect to Taxes giving rise to such a refund), net of all out-of-pocket expenses of Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such a refund); provided, that Borrowers, upon the request of Agent or such Lender, agree to repay the amount paid over to Borrowers (plus any penalties, interest or other charges, imposed by the relevant Governmental Authority, other than such penalties, interest or other charges imposed as a result of the bad faith, willful misconduct or gross negligence of Agent hereunder) to Agent or such Lender in the event Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything in this Agreement to the contrary, this Section 16.4 shall not be construed to require Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to any Borrower or any other Person.

17. GENERAL PROVISIONS.

17.1. Effectiveness. This Agreement shall be binding and deemed effective when executed by each Loan Party, Agent, and each Lender whose signature is provided for on the signature pages hereof.

17.2. Section Headings. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

17.3. Interpretation. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lender Group or any Loan Party, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

17.4. Severability of Provisions. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

17.5. Bank Product Providers. Each Bank Product Provider shall be deemed a third party beneficiary hereof and of the provisions of the other Loan Documents for purposes of any reference in a Loan Document to the parties for whom Agent is acting. Agent hereby agrees to act as agent for such Bank Product Providers and, as a result of entering into a Bank Product Agreement, the applicable Bank Product

Provider shall be automatically deemed to have appointed Agent as its agent and to have accepted the benefits of the Loan Documents; provided, that, the rights and benefits of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Agent and the right to share in proceeds of the Collateral as more fully set forth herein. In addition, each Bank Product Provider, as a result of entering into a Bank Product Agreement, shall be automatically deemed to have agreed that Agent shall have the right, but shall have no obligation, to establish, maintain, reduce, or release reserves in respect of the Bank Product Obligations and that if reserves are established there is no obligation on the part of Agent to determine or insure whether the amount of any such reserve is appropriate or not. In connection with any such distribution of payments or proceeds of Collateral, Agent shall be entitled to assume no amounts are due or owing to any Bank Product Provider unless such Bank Product Provider has provided a written certification (setting forth a reasonably detailed calculation) to Agent as to the amounts that are due and owing to it and such written certification is received by Agent a reasonable period of time prior to the making of such distribution. Agent shall have no obligation to calculate the amount due and payable with respect to any Bank Products, but may rely upon the written certification of the amount due and payable from the relevant Bank Product Provider. In the absence of an updated certification, Agent shall be entitled to assume that the amount due and payable to the applicable Bank Product Provider is the amount last certified to Agent by such Bank Product Provider as being due and payable (less any distributions made to such Bank Product Provider on account thereof). Any Borrower may obtain Bank Products from any Bank Product Provider, although no Borrower is required to do so. Each Borrower acknowledges and agrees that no Bank Product Provider has committed to provide any Bank Products and that the providing of Bank Products by any Bank Product Provider is in the sole and absolute discretion of such Bank Product Provider. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no provider or holder of any Bank Product shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

17.6. Debtor-Creditor Relationship. The relationship between the Lenders and Agent, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. No member of the Lender Group has (or shall be deemed to have) any fiduciary relationship or duty to any Loan Party arising out of or in connection with the Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between the members of the Lender Group, on the one hand, and the Loan Parties, on the other hand, by virtue of any Loan Document or any transaction contemplated therein.

17.7. Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Execution of any such counterpart may be by means of (a) an electronic signature that complies with the federal Electronic Signatures in Global and National Commerce Act, as in effect from time to time, state enactments of the Uniform Electronic Transactions Act, as in effect from time to time, or any other relevant and applicable electronic signatures law; (b) an original manual signature; or (c) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Agent reserves the right, in its Permitted Discretion, to accept, deny, or condition acceptance of any electronic signature on this Agreement. Any party delivering an executed counterpart of this Agreement by faxed, scanned or photocopied manual signature shall, if reasonably requested or required by Agent in its Permitted Discretion, also deliver an original manually executed counterpart, but the failure to deliver an original manually executed counterpart shall not affect

the validity, enforceability and binding effect of this Agreement. The foregoing shall apply to each other Loan Document, and any notice delivered hereunder or thereunder, *mutatis mutandis*.

17.8. Revival and Reinstatement of Obligations. If the incurrence or payment of the Obligations by any Borrower or Guarantor or the transfer to the Lender Group of any property should for any reason subsequently be asserted, or declared, to be void or voidable under any state or federal law relating to creditors' rights, including provisions of the Bankruptcy Code (or under any bankruptcy or insolvency laws of Canada, including the BIA and the CCAA or under any bankruptcy or insolvency laws of Luxembourg) relating to fraudulent conveyances, preferences, or other voidable or recoverable payments of money or transfers of property (each, a "Voidable Transfer"), and if the Lender Group is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the reasonable advice of counsel, then, as to any such Voidable Transfer, or the amount thereof that the Lender Group is required or elects to repay or restore, and as to all reasonable costs, expenses, and attorneys' fees of the Lender Group related thereto, the liability of Borrowers or Guarantor automatically shall be revived, reinstated, and restored and shall exist as though such Voidable Transfer had never been made.

17.9. Confidentiality.

(a) Agent and Lenders each individually (and not jointly or jointly and severally) agree that information regarding Parent and its Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by Agent and the Lenders in a confidential manner, and shall not be disclosed by Agent and the Lenders to Persons who are not parties to this Agreement, except: (i) to attorneys for and other advisors, accountants, auditors, and consultants to any member of the Lender Group and to employees, directors and officers of any member of the Lender Group (the Persons in this clause (i), "Lender Group Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of any member of the Lender Group (including the Bank Product Providers), provided that any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 17.9, (iii) [reserved], (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation, or as may be requested by any Governmental Authority as a result therefrom; provided that (x) prior to any disclosure under this clause (iv), the disclosing party agrees (except with respect to any audit or examination conducted by any governmental bank regulatory authority exercising examination or regulatory authority) to provide Administrative Borrower with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Borrowers pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation, or request from the applicable regulatory authority, and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation or request from the applicable Governmental Authority, (v) as may be agreed to in advance in writing by Borrowers, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process, provided, that, (A) prior to any disclosure under this clause (vi) the disclosing party agrees to provide Borrowers with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrowers pursuant to the terms of the subpoena or other legal process and (B) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Agent or the Lenders or the Lender Group Representatives), (viii) in connection with any assignment, participation or pledge of any Lender's interest under this Agreement, provided that prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information hereunder subject to the terms of this Section, (ix) in connection with any litigation or other adversary proceeding

involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents; provided, that, prior to any disclosure to any Person (other than any Loan Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than any Borrower, Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Borrowers with prior written notice thereof, and (x) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document.

(b) Anything in this Agreement to the contrary notwithstanding, Agent may provide customary information concerning the terms and conditions of this Agreement and the other Loan Documents to loan syndication and pricing reporting services, and Agent or any Lender may provide such information for its marketing materials, with such information to consist of deal terms and other information customarily found in such publications or marketing materials and may otherwise use the name, logos, and other insignia of Borrowers and Loan Parties and the Commitments provided hereunder in any "tombstone" or other advertisements, on its website or in other marketing materials of the Agent or such Lender, provided, that, the content of any "tombstones" will be reasonably acceptable to Parent.

(c) The Platform is provided "as is" and "as available." Agent does not warrant the accuracy or completeness of the Borrower Materials, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by Agent in connection with the Borrower Materials or the Platform. In no event shall Agent or any of the Agent-Related Persons have any liability to the Loan Parties, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or Agent's transmission of communications through the Internet, except to the extent the liability of such person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such person's bad faith, gross negligence or willful misconduct.

17.10. Lender Group Expenses. Borrowers agree to pay any and all Lender Group Expenses on the earlier of (a) the first day of the month following the date on which such Lender Group Expenses were first incurred (or in the case of out-of-pocket expenses for third parties, following the date that Agent provides the invoice or other notice of such charges to Administrative Borrower) or (b) five (5) days after the date on which demand therefor is made by Agent. Borrowers agree that their respective obligations contained in this Section 17.10 shall survive payment or satisfaction in full of all other Obligations.

17.11. Survival. All representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent, the Issuing Lender, or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated.

17.12. Patriot Act; Due Diligence. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name

and address of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with the Patriot Act. In addition, Agent and each Lender shall have the right to periodically conduct due diligence on all Loan Parties, their senior management and key principals and legal and beneficial owners. Each Loan Party agrees to cooperate in respect of the conduct of such due diligence and further agrees that the reasonable costs and charges for any such due diligence by Agent shall constitute Lender Group Expenses hereunder and be for the account of Borrowers.

17.13. Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof. The foregoing to the contrary notwithstanding, all Bank Product Agreements, if any, are independent agreements governed by the written provisions of such Bank Product Agreements, which will remain in full force and effect, unaffected by any repayment, prepayments, acceleration, reduction, increase, or change in the terms of any credit extended hereunder, except as otherwise expressly provided in such Bank Product Agreement.

17.14. Administrative Borrower as Agent for Borrowers.

(a) Each Borrower hereby irrevocably appoints and constitutes Parent ("Administrative Borrower") as its agent and attorney-in-fact to request and receive Loans and Letters of Credit pursuant to this Agreement and the other Loan Documents from Agent or any Lender or Issuing Lender in the name or on behalf of such Borrower. Agent, Lenders and Issuing Lender may disburse the Loans to such bank account of Administrative Borrower or a Borrower or otherwise make such Loans to a Borrower and provide such Letters of Credit to a Borrower as Administrative Borrower may designate or direct, without notice to any other Loan Party. Notwithstanding anything to the contrary contained herein, Agent may at any time and from time to time require that Loans to or for the account of any Borrower be disbursed directly to an operating account of such Borrower.

(b) Administrative Borrower hereby accepts the appointment by Borrowers to act as the agent and attorney-in-fact of Borrowers pursuant to this Section 17.14. Administrative Borrower shall ensure that the disbursement of any Loans to each Borrower requested by or paid to or for the account of Parent, or the issuance of any Letter of Credit for a Borrower hereunder, shall be paid to or for the account of such Borrower.

(c) Each Loan Party hereby irrevocably appoints and constitutes Administrative Borrower as its agent to receive statements on account and all other notices from Agent, Lenders and Issuing Lender with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents.

(d) Any notice, election, representation, warranty, agreement or undertaking by or on behalf of any other Loan Party by Administrative Borrower shall be deemed for all purposes to have been made by such Loan Party, as the case may be, and shall be binding upon and enforceable against such Loan Party to the same extent as if made directly by such Loan Party.

(e) No resignation or termination of the appointment of Administrative Borrower as agent as aforesaid shall be effective, except after ten (10) Business Days' prior written notice to Agent. If Administrative Borrower resigns under this Agreement, Borrowers shall be entitled to appoint a successor Administrative Borrower (which shall be a Borrower). Upon the acceptance of its appointment as successor Administrative Borrower hereunder, such successor Administrative Borrower shall succeed to all the rights, powers and duties of the retiring Administrative Borrower and the term "Administrative Borrower" shall mean such successor Administrative Borrower and the retiring or terminated Administrative Borrower's appointment, powers and duties as Administrative Borrower shall be terminated.

17.15. Currency Indemnity. If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Agreement or any of the other Loan Documents, it becomes necessary to convert into the currency of such jurisdiction (the "Judgment Currency") any amount due under this Agreement or under any of the other Loan Documents in any currency other than the Judgment Currency (the "Currency Due"), then conversion shall be made at the Spot Rate at which Agent is able, on the relevant date, to purchase the Currency Due with the Judgment Currency prevailing on the Business Day before the day on which judgment is given. In the event that there is a change in the Spot Rate prevailing between the Business Day before the day on which the judgment is given and the date of receipt by Agent of the amount due, Borrowers will, on the date of receipt by Agent, pay such additional amounts, if any, as may be necessary to ensure that the amount received by Agent on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of receipt by Agent is the amount then due under this Agreement or such other of the Loan Documents in the Currency Due. If the amount of the Currency Due which Agent is able to purchase is less than the amount of the Currency Due originally due to it, Loan Parties shall indemnify and save Agent harmless from and against loss or damage arising as a result of such deficiency. The indemnity contained herein shall constitute an obligation separate and independent from the other obligations contained in this Agreement and the other Loan Documents, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement or any of the other Loan Documents or under any judgment or order.

17.16. Anti-Money Laundering Legislation.

(a) Each Loan Party acknowledges that, pursuant to the Proceeds of Crime Money Laundering) and Terrorist Financing Act (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and "know your client" laws, under the laws of Canada (collectively, including any guidelines or orders thereunder, "Canadian AML Legislation"), Agent and Lenders may be required to obtain, verify and record information regarding each Loan Party, its respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of such Loan Party, and the transactions contemplated hereby. Administrative Borrower shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or Agent, or any prospective assignee or participant of a Lender or Agent, necessary in order to comply with any applicable Canadian AML Legislation, whether now or hereafter in existence.

(b) If Agent has ascertained the identity of any Loan Party or any authorized signatories of any Loan Party for the purposes of applicable Canadian AML Legislation, then the Agent:

(i) shall be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a "written agreement" in such regard between each Lender and the Agent within the meaning of applicable Canadian AML Legislation; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding the provisions of this Section and except as may otherwise be agreed in writing, each Lender agrees that Agent has no obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Loan Parties or any such authorized signatory in doing so.

17.17. Quebec Interpretation. For all purposes of any assets, liabilities or entities located in the Province of Quebec and for all purposes pursuant to which the interpretation or construction of this Agreement may be subject to the laws of the Province of Quebec or a court or tribunal exercising jurisdiction in the Province of Quebec, (a) "personal property" shall include "movable property", (b) "real property" shall include "immovable property", (c) "tangible property" shall include "corporeal property", (d) "intangible property" shall include "incorporeal property", (e) "security interest", "mortgage" and "lien" shall include a "hypothec", "prior claim" and a "resolutive clause", (f) all references to filing, registering or recording under the Code or PPSA shall include publication under the Civil Code of Quebec, (g) all references to "perfection" of or "perfected" liens or security interest shall include a reference to an "opposable" or "set up" lien or security interest as against third parties, (h) any "right of offset", "right of setoff" or similar expression shall include a "right of compensation", (i) "goods" shall include corporeal movable property" other than chattel paper, documents of title, instruments, money and securities, (j) an "agent" shall include a "mandatary", (k) "construction liens" shall include "legal hypothecs", (l) "joint and several" shall include solidary, (m) "gross negligence or willful misconduct" shall be deemed to be "intentional or gross fault", (n) "beneficial ownership" shall include "ownership on behalf of another as mandatary", (o) "easement" shall include "servitude", (p) "priority" shall include "prior claim", (q) "survey" shall include "certificate of location and plan", and (r) "fee simple title" shall include "absolute ownership".

17.18. English Language Only. The parties hereto confirm that it is their wish that this Agreement and any other document executed in connection with the transactions contemplated hereby be drawn up in the English language only and that all other documents contemplated hereunder or relating hereto, including notices, shall also be drawn up in the English language only. *Les parties aux présentes confirment que c'est leur volonté que cette convention et les autres documents de crédit soient rédigés en langue anglaise seulement et que tous les documents, y compris tous avis, envisagés par cette convention et les autres documents peuvent être rédigés en langue anglaise seulement.*

17.19. Hedging Liability. Notwithstanding any provision hereof or in any other Loan Document to the contrary, in the event that any Guarantor is not an "eligible contract participant" as such term is defined in Section 1(a)(18) of the Commodity Exchange Act, as amended, at the time (i) any transaction is entered into under a Hedge Obligations or (ii) such Person becomes a Guarantor hereunder, and the effect of the foregoing would be to render a Guaranty by such Guarantor violative of the Commodity Exchange Act, the Obligations of such Guarantor shall not include (x) in the case of clause (i) above, such transaction and (y) in the case of clause (ii) above, any transactions outstanding under any Hedge Obligations as of the date such Guarantor becomes a Guarantor hereunder.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
- (c) a reduction in full or in part or cancellation of any such liability;
- (d) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in the applicable financial institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be

17.21. Luxembourg Guaranty Limitation Language.

(a) For the purpose of this section "Luxembourg Guarantor" means any Guarantor (including with respect to Luxembourg Borrower, Luxembourg Borrower's guaranty of the Canadian Obligations pursuant to the Luxembourg Guaranty) whose registered office/place of central administration is in Luxembourg and whose center of main interest (as that term is used in Article 3(1) of the Insolvency Regulation) is in Luxembourg.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Agent for any reason, after demand therefor by the Agent in accordance with immediately preceding clause (c), from any Lender that is a Payment Recipient or an Affiliate of a Payment Recipient (such unrecovered amount as to such Lender, an "Erroneous Payment Return Deficiency"), then at the sole discretion of the Agent and upon the Agent's written notice to such Lender (i) such Lender shall be deemed to have made a cashless assignment of the full face amount of the portion of its Loans (but not its Commitments) with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Loans") to the Agent or, at the option of the Agent, the Agent's applicable lending affiliate (such assignee, the "Agent Assignee") in an amount that is equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Loans, the "Erroneous Payment Deficiency Assignment") plus any accrued and unpaid interest on such assigned amount, without further consent or approval of any party hereto and without any payment by the Agent Assignee as the assignee of such Erroneous Payment Deficiency Assignment. Without limitation of its rights hereunder, following the effectiveness of the Erroneous Payment Deficiency Assignment, the Agent may make a cashless reassignment to the applicable assigning Lender of any Erroneous Payment Deficiency Assignment at any time by written notice to the applicable assigning Lender and upon such reassignment all of the Loans assigned pursuant to such Erroneous Payment Deficiency Assignment shall be reassigned to such Lender without any requirement for payment or other consideration. The parties hereto acknowledge and agree that (1) any assignment contemplated in this clause (d) shall be made without any requirement for any payment or other consideration paid by the applicable assignee or received by the assignor, (2) the provisions of this clause (d) shall govern in the event of any conflict with the terms and conditions of Section 13 and (3) the Agent may reflect such assignments in the Register without further consent or action by any other Person.

(e) Each party hereto hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Agent (1) shall be subrogated to all the rights of such Payment Recipient and (2) is authorized to set off, net and apply any and all amounts at any time owing to such Payment Recipient under any Loan Document, or otherwise payable or distributable by the Agent to such Payment Recipient from any source, against any amount due to the Agent under this Section 17.23 or under the indemnification provisions of this Agreement, (y) the receipt of an Erroneous Payment by a Payment Recipient shall not for the purpose of this Agreement be treated as a payment, prepayment, repayment, discharge or other satisfaction of any Obligations owed by the Borrowers or any other Loan Party, except,

in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Agent or such other Person from the Borrowers, any other Loan Party or any of their respective Affiliates for the purpose of making a payment on the Obligations and (z) to the extent that an Erroneous Payment was in any way or at any time credited as payment or satisfaction of any of the Obligations, the Obligations or any part thereof that were so credited, and all rights of the Payment Recipient, as the case may be, shall be reinstated and continue in full force and effect as if such payment or satisfaction had never been received (for the sake of clarity, the foregoing will not reinstate such Obligations vis-à-vis the Borrowers, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Agent from the Borrowers, any other Loan Party or any of their respective Affiliates for the purpose of making a payment on the Obligations).

(f) Each Payment Recipient's obligations under this Section 17.23 shall survive the resignation or replacement of the Agent or any transfer of right or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(g) The provisions of this Section 17.23 to the contrary notwithstanding, (i) nothing in this Section 17.23 will constitute a waiver or release of any claim of any party hereunder arising from any Payment Recipient's receipt of an Erroneous Payment and (ii) there will only be deemed to be a recovery of the Erroneous Payment to the extent that Agent has received payment thereof in immediately available funds, whether directly from the Payment Recipient, as a result of the exercise by Agent of its rights of subrogation or set off as set forth above in clause (e) or as a result of the receipt by Agent Assignee of a payment of the outstanding principal balance of the Loans assigned to Agent Assignee pursuant to an Erroneous Payment Deficiency Assignment, but excluding any other amounts in respect thereof (it being agreed that any payments of interest, fees, expenses or other amounts (other than principal) received by Agent Assignee in respect of the Loans assigned to Agent Assignee pursuant to an Erroneous Payment Deficiency Assignment shall be the sole property of the Agent Assignee and shall not constitute a recovery of the Erroneous Payment).

17.24. Applicable Designees

Furthermore, with respect to (a) each provision of this Agreement relating to the funding or participation in any Revolving Loans or the repayment or the reimbursement thereof by a Borrower in connection therewith, (b) any rights of set-off, (c) any rights of indemnification or expense reimbursement, and (d) reserves, capital adequacy or other provisions, each reference to Agent or a Lender shall be deemed to include Agent's or such Lender's Applicable Designee.
