Explanation of Responses:

1. The information in this report is based on a PolyOne Retirement Savings Plan statement dated as of September 30, 2006. PolyOne common shares are held in a unitized fund that consists of stock and cash . The number of shares and the amount of cash may fluctuate daily depending on plan level activity in the fund . Even though no transaction has occurred, this fluctuation may result in an increase or decrease in the number of shares held since the last report filed by the reporting person .
