Explanation of Responses:

1. The reporting person is amending the Form 4 originally filed to correct the number of stock appreciation rights granted. The number of stock appreciation rights granted was determined by a calculation using a formula that was approved by the Compensation Committee of the Board on 12/11/03. The number reported in the original Form 4 was incorrect due to an error in the calculation. 2. SARs are exercisable upon vesting. Vesting occurs when the market price of the PolyOne common stock reaches pre-determined levels for three consecutive days as follows: 1/3 vests at a market price of \$8 per

share; an additional 1/3 vests at a market price of \$9 per share; and the remaining 1/3 vests at a market price of \$10 per share.
